EXPERIENCE

# Aug 2015 > Present  
Game Designer @ SGN  
• Oversee the creative direction of games through Development and Live phases.  
• Help lead and mentor Associate and Mid-Level Game Designers.  
• Crafted over 200+ levels, not including the tuning of any live levels  
• Constructed creative gameplay systems to improve user experience, engagement, and monetization on live games.

# Nov 2014 > Jul 2015  
Lead Level Designer @ Tic Toc Games  
• Provided level layouts; level geometry, encounters and puzzle design.  
• Led a small team to create 50+ levels to nail down our unique game mechanics.  
• Provided design docs to establish new tools for workflow & new mechanics  
• Worked closely with the creative director to establish enemies & obstacles.

# May 2012 > Nov 2014  
Game Designer @ WayForward Technologies  
• Created level layouts. This included puzzle design, overworld quests, and dungeon creation.  
• Responsible for world building; from whitebox to enemy placement to placing art.  
• Updated documentation & crated specs for new features.  
• Wrote out missions and implemented in-game.
