

**Killingly
Energy Center**
an NTE Energy Project

Public Informational Meeting Notice

NTE Connecticut, LLC

Killingly Energy Center

NTE Connecticut, LLC (“NTE”) will host a Public Project Meeting on Monday December 18, 2017 at 7:00 PM at the Killingly High School Auditorium, 226 Putnam Pike, Killingly, Connecticut. At this meeting NTE representatives will be available to provide updated project information and respond to questions from the community about the proposed power generating facility off Lake Road in Killingly, Connecticut.

Copies of the project’s reports, studies, and permit applications, including the recently filed Minor Modification Application to Permit No. 089-0107 (the project’s air permit) are available to the public at the Killingly Town Hall, the Killingly Public Library, and on the Killingly Energy Center website: www.killinglyenergycenter.com.

For more information, please contact Tim Eves at 813-503-2991 or teves@nteenergy.com.

Reliable, efficient power for a cleaner America
