WELL HELLO THERE!

Who We Are: The Lighthouse Soup Kitchen and Shelter has been serving Orillia's homeless and vulnerable since 1992.

A lighthouse that sits at the edge of the ocean is there for the darkest nights or storms, it guides ships to safety. Except - the lighthouse itself isn't the final destination, the safety of the harbour is.

The same is true for The Lighthouse Soup Kitchen and Shelter. We guide the vulnerable out of life's storms, provide physical needs (food and shelter), give spiritual hope and point the way to wellness (connecting and anchoring our clients into the community with permanent, safe housing).

Our Vision: Guiding the vulnerable out of life's storms towards hope.

Our Mission: Providing a safe place that meets physical needs, gives spiritual hope and points the way to wellness.

WHAT ARE COMMUNITY DINNERS?

Food security for our clients is a challenge. Currently, no-charge community dinners are offered the first Tuesday of every month. The 2018 calendar is booking up, thanks to our generous community partners. We still has some available Tuesday spots to fill for 2018. And we are looking ahead to book 2019, as well.

In order to continue this amazing program for another year, we need willing and generous community members to partner with. This is a great opportunity, not only to build community relationships, but to serve those in need.

WHO CAN HELP?

If you are a business, group of families, an organization, or a church group - you can host a community lunch!

WHAT YOU WOULD DO:

To host a community dinner, your organization/business/group would:

- Provide enough food for **75 individuals**. Please include a **main course, side/salad, dessert and drinks!** (Meal ideas can be found below).
- Provide **volunteers to prepare and serve the meal, as well as cleanup afterward.**

If you cannot recruit volunteers, just let The Lighthouse know! Dinners will be hosted at The Lighthouse Soup Kitchen & Shelter (48 Peter St S, Orillia).

NEED A DINNER IDEA?

- Italian: spaghetti with meatballs, caesar salad, garlic bread, juice, squares

"It was exciting to share a Birthday Celebration for many who have felt forgotten on their special day/month. The cake, gifts and opportunity it gave us to meet the people attending The Lighthouse, to see their smiles, hear their gratitude and feel their joy was the greatest blessing."

CALVARY PENTECOSTAL
TABERNACLE CONGREGATION

"It was a wonderful experience to watch men and women from our church as they served and engaged with those who came to The Lighthouse for our community dinner. Sharing a meal with others is such a great way to connect, and our time at The Lighthouse made that connection possible for us. I look forward to bringing our team back in the very near future."
