## **General**

Juniors, if you are playing at the club unsupervised when senior club play begins, you must be prepared to stop playing and allow them to use the courts. They have paid for this privilege.

If you`re playing with a visiting friend who is not a member, please remember to pay the visitor fee for them. This fee is refundable if the visitor becomes a member.

Lastly if I can help anyone with anything, please don't hesitate to ask either myself or the coaching team.
