8.8.5.3. The Elections Chair shall not close the period of deliberation in less than 20 minutes without a two-thirds majority vote of the members voting and present (unless the office in question is uncontested).

8.9. Voting

8.9.1. The voting procedure defined below shall apply to any election occurring in the traditional election meeting and any and all special elections held throughout the term.

8.9.2. All voting shall occur anonymously by secret ballot with the exception of a vote by acclamation in the event of an uncontested election pursuant to subsection 8.8.3.1.1 below.

8.9.3. Voting thresholds and mechanisms are to be defined as follows:

8.9.3.1. If a position is not contested in that only one (1) candidate is seeking election to that role, the Elections Chair shall entertain a motion from any General Assembly member in good standing present and voting to vote by acclamation.

8.9.3.1.1. A vote by acclamation shall be conducted either through voice vote, raised hands, or any other mode commonly understood by members present and voting.

8.9.3.2. If a position is contested by two (2) candidates, voting members shall cast their votes for no more than one (1) candidate to the office. The candidate that obtains a majority of the votes will be considered elected to the office.

8.9.3.2.1. Voters may abstain from voting. However, abstentions will be counted toward the majority.

8.9.3.2.2. In the event of a tie, the Elections Chair may call for an extra ten (10) minutes of deliberation subject to the provisions in section 8.7 above. This timing may be extended by a two-thirds majority of members present and voting.

8.9.3.2.3. Ballots shall repeat pursuant to the above parameters until a candidate has received a majority of the votes.
8.9.3.3. If a position is contested by three (3) or more candidates, then elections shall proceed according to the instant runoff method.

8.9.3.3.1. Voting members shall rank all candidates in the order in which they prefer those candidates.

8.9.3.3.2. The Elections Chair will then tally the votes and determine the number of top ranks for each candidate.

8.9.3.3.3. The candidate with the least number of top ranks will be eliminated from contention.

8.9.3.3.4. For any ballots cast with an eliminated candidate in the top rank, the second rank will be considered and those second ranks will be allocated to the vote tally for candidates still in contention.

8.9.3.3.5. The process in subsections 8.8.3.3.2-8.8.3.3.4 will be repeated until one candidate has received a majority of the votes.

8.9.3.3.6. Absentions are permitted, but any abstention will not count toward a particular candidate. Instead, abstentions lower the total number of votes cast for the purposes of calculating a majority.

8.9.4. Voting Eligibility

8.9.4.1. To be eligible to vote in the election, all representatives who have not yet been certified must be certified by the Director of Logistics with the appointing bodies no later than ten (10) days before the election.

8.9.4.2. For elections to positions as Council Chairs, only those members eligible to vote shall be those who otherwise satisfy the provisions under sub-section 8.8.4.1 and who are members of the respective Council to which a Chair is being elected.

8.9.5. Vote Tallying and Recording

8.9.5.1. Votes shall be cast on secret ballot. If someone wishes to abstain, they shall indicate their preference on their official ballot. All ballots shall be collected and counted by the Elections Chair. Ballots must be handed directly to the Elections Chair. The Elections Chair may appoint up to four Tellers who shall assist in the collection and counting of ballots.

8.9.5.2. The Elections Chair shall record the total number of votes cast (including abstentions) as well as the outcome for each election. The number of votes received by each candidate shall not be recorded in the minutes.

8.9.6. Declaring a Winner
8.9.6.1. All ballots shall be destroyed at the conclusion of the election process.

8.9.6.2. The Elections Chair shall declare a candidate for an office elected if they receive a simple majority of the votes cast.

8.10. Amendments and Revision to this Section
8.10.1. This section shall govern the traditional elections meeting and any and all special elections for all internally-elected officers.

8.10.2. The General Assembly may choose to amend this section by a majority vote no later than two (2) weeks prior to the posted date of the traditional election meeting or special election.
