### Protection

Avocado, Bragg's Amino Acid, Sesame Seeds, Root Ribbons

### Dignity

Bean Ragout, Scallion Cashew Cream, Seared Roasted Garlic Polenta

### Happiness

Brownies with Vanilla “Ice Cream” and Toasted Granola

# VEGANFEST!

With your help RowHouse has to date given over \$25,000.00 to the Topeka Rescue Mission. It all started when I was asked if we were donating food to the helpers of the Harveyville tornado. The thought sadly hadn't occurred to me, then I realized my answer should have simply been YES. So that's what we did. We said yes. After the tornado, realizing we could embrace this idea for greater good, we started sending food each week to the Topeka Rescue Mission... all made from things we had around, all used to feed people in need. We moved on to VeganFest, this annual multi course dinner—the proceeds from which we donate 100% of the money brought in for the evening to the Mission. We mean every cent. The staff donates time, the sales total, even our tips are pooled and sent along. Why Vegan, why February? I can't say exactly why, but it's definitely the event I am most proud of, and definitely something we aim to continue. A night where we eat light and fancy so that we can give to others something substantial and necessary.

I read a brief description that stuck with me defining homelessness in 6 words: Alone, Ostracized, Broken, Vulnerable, Hidden and Unheard. Our menu is about Power, Equality, Life, Freedom, Protection, and Happiness. We took some cues from Café Gratitude in naming each course.

Thanks for being a part of something good.  
-Greg Fox

Please ask your server if you would like any alcoholic beverages. We have a small selection to choose from tonight.
