WINE PAIRINGS

About the wine pairings this week...

We take a lot of pride in our wine pairings. Once the menu is posted on Fridays we talk about it over the next few days and work to get a feel for which wines suit the mood and flavors of the week. Generally we stick with wines currently on our RowHouse winelist, but once in a while we will bring in something brand new. If you'd like to know what we are pairing with dinner the night you are joining us, please feel free to give us a call that afternoon.

Cheers!

This Week at RowHouse...

April is our official 10 year anniversary, which in my book means 11. 2017 has already been fun, but Thursday April 6th, we begin our “Garden Party Thursdays.” We will have a limited bar set up in our backyard to welcome Spring. You can stop by from 5pm to 8pm for a casual gathering place and a drink. You can join us for dinner, or just stop by the Garden look at what's sprouting and mingle. I'm sure it will have some hiccups, but we aren't afraid and our Garden can make the worst day into the best. The RowHouse Garden is always open, but these events are just happening in April (at least for now). The weather may be chilly, but the spirit warm. Please help us celebrate Spring and tell/bring your friends!

Enjoy Dinner. We love every night you make a RowHouse night!
