Social Media Advertising

EXPERIENCE

Graphic Designer | Office of Student Affairs

Mississippi State University | April 2017-current

Responsible for marketing and designing graphic materials for campus related organizations on campus such as logos, books, booklets, and apparel design.

Reservationist | Butler Guest House

Mississippi State University | August 2016-May 2017

Responsible for hotel operations, delivering first-rate service to guests, training new hires, closing and opening, and schedule making for all of the employees.

Graphic Design Internship | Blufish

Starkville, MS. | August-December 2016

Learned to collaborate with various clients and design brand materials for them. I designed logos, mockups, and proofed printed materials.

Post-Production Intern | Goodby, Silverstein & Partners

San Francisco, CA. | Summer 2015 & Summer 2016

Production Coordinator for commercials and pitches for large accounts such as Xfinity, Gree, and Cheetos. Created designs for Haagen Dazs and Princess Cruises.

Freelance Design | Letterpress, branding, mural, etc.

Texas Roadhouse | Training Server

Mobile, AL | August 2013-September 2014

Here I informed and served patrons food and beverages, processed payments, and was soon promoted to train new hires on the job.

Best Buy | Customer Service Representative

Mobile, AL | July 2012-August 2013

Responsible for handling any customer dissatisfaction, returns, exchanges, and consultation on options for services, coverages, and any solutions the customer may anticipate.

ACTIVITIES

Mississippi State Community Garden and Rain Garden

A cross-campus collaboration between CAAD, The College of Agriculture and Life Sciences; and the MSU Student Association for the use of plant and soil sciences; and food science, nutrition and health promotion.
