

Mission Statement: To facilitate equitable and economic expenditures of the student technology fee in line with the mission, vision, and core values of Park University to ensure student success for participating Campus Centers

The duties of the Student Technology Fee Committee will be:

1. Create a Comprehensive Technology Fee Plan with Timelines
2. Create an Implementation plan (Project Plan of Action) for Each Project Chosen
3. Create a Research Plan for each Idea Presented and Rating System
4. Create a Future List of Projects
5. Create a Structure for Submission and Decision of Technology Fee Related Requests

Role of Committee Members:

1. Chair -Calling meeting to Order, Key Votes, and Tasks
2. Vice Chair- Serves in whatever is needed as absences occur, Research and Student Opinion Coordinator
3. PR- Public Relations in charge of collaborations and execution of communication endeavors
4. Secretary- Keeping notes on key decisions and votes, keeping agenda items clear and distributing meeting minutes
5. Treasurer- Keeps the accounts in order, advises on Financial Matters pertaining to the Tech Fee
6. Technical Advisor (ITS)- Focused on big ideas, research ideas presented for feasibility and ease of implementation, advising on Technical and Systems Details for Park, and Reference of Technical Requirements and Implementation Timelines and Objectives.
7. Student Success Advisor (Student Life)- Focused on advising on student impact, non-technical systems impact at park, and goal orientation.
