Dear Growers and Landowners:

On October 17, the WCWD Board of Directors ratified the Prop 218 election results to increase standby assessment from the current \$5.00 an acre **UP TO** \$10.61 an acre. The current \$5.00 an acre standby assessment remains in effect *until and if* the Board votes to increase it to an amount between \$5.00 an acre - \$10.61 an acre moving forward; but not before January 2018 during the budget process.

The final votes are as follows:

33,809.29 votes received

28,080.62 votes Yes

8,064.95 votes No

A total of 58% of eligible voting acres were received with 83% of total ballots cast in favor of an increased assessment.

Sincerely,

Ted Trimble
