### 2017 Event Planning Guide

#### Welcome to With the Wind Vineyard & Winery!

With the Wind Vineyard & Winery, LLC is a South Dakota Farm Winery, established in 2014. The family business, owned by Jeremiah & Lisa Klein, is a complete wine production operation. The entire range of With the Wind Wines is produced, fermented, and bottled onsite. From the vine to the bottle, Jeremiah, Lisa and staff strive to provide high-quality, delicious, locally-made wines that capture the flavor and beauty of the expansive Prairie that surrounds them.

In addition, a wide array of celebrations and events make With the Wind Vineyard & Winery their location of choice. The Kleins take great pleasure in welcoming and inviting you to step into the beauty and simplicity of this rural life with them.

***"Be our guest and take a deep breath of life. Cheers!"***

### **“The Tasting Room”**

Constructed in 2014, the 600 square foot Tasting Room features large windows and doors that showcase the naturally vast western and southern prairie views. The twelve foot ceilings compliment a unique 16 foot bar made of quartz and hickory. The tasting bar is punctuated by twenty-one jar pendant lights suspended above and a large, beautiful & rustic wine rack behind it with capacity for 800 bottles of wine. On the south and west sides of the Tasting Room, a 1,000 square foot wrap-around porch adds another perfect location to sip the many delightful wines and savor the sweetness of the serene rural setting and breathtaking natural surroundings.

The Tasting Room is not available for private rental during the regular business hours of Friday and Saturdays 11am-6pm, Sundays 1pm-6pm. A restroom is also included in this room rental.

### **“The Tasting Room + Winemaking Room”**

The Tasting Room is adjoined to the 1,100 square foot Winemaking Room where a selection of regional and California-style wines are produced and bottled. Six stainless steel, Italian custom-made fermentation tanks are the focal point of the Winemaking Room. On the south and west sides of the Tasting Room, a 1,000 square foot wrap-around porch adds another perfect location to sip the many delightful wines and savor the sweetness of the serene rural setting and breathtaking natural surroundings. A restroom is also included in this room rental. This adjoining room combination is suitable for some groups of approximately 25-40 people.

This room combination is not available for private rental during the regular business hours of Friday and Saturdays 11am-6pm, Sundays 1pm-6pm.

### **“The Wine Cellar Room”**

The 2,300 square foot (29' x 79' foot) Wine Cellar addition is the newest area, being complete by Spring 2017. The large, open room with white steel walls features a vaulted 15 foot ceiling on the long, southern side of the room and 10 foot ceiling throughout the remaining portion of the room. Natural light from the two western and two southern windows is present and the room can also be flexible space in terms of its use. The two overhead doors, on the west and south sides, can be open if the weather allows, to provide a unique “open-air” experience. Or the room can be used as a traditional climate-controlled meeting space. Three light-stained wood propeller fans and twelve modern, jar-style pendant fixtures complement the room. A bar service area and a restroom are also located in the northeast area of this room.

### **“The Vineyard”**

The With the Wind Vineyard is the most romantic setting for your outdoor wedding ceremony. The rolling vineyard is situated amidst the picturesque plains. Open views of the prairie’s most spectacular sunsets and awe-inspiring natural wildlife abound. Nine hundred cold-hardy grapevines, including Frontenac, Frontenac Gris, Brianna and King of the North varieties are a special feature of this Vineyard.

The Outdoor Ceremony Rental welcomes you to utilize the vineyard grounds and natural outdoor surroundings on the 20 acre property for photography prior to and after the event.

The average growth of the vines throughout the year is: early Spring - Bud-break followed by rapid shoot growth, Mid-Summer– Rapid Shoot and Foliage growth, Mid to Late Summer– Berries develop and begin to ripen, Late Summer to Early Fall– Grapes, Late Fall through Winter– Vineyard leaves display fall colors followed by leaf fall after first frost then dormancy.
