

Double Your Profits Consultancy

FIVE GUARANTEES

My Personal Guarantee

I want to help local Island businesses to boost their business.

I know that when they first consider it, people can be uncertain about the risks of working with a consultant. It's understandable because you don't know what you don't know. It's probably the same whenever you first use any professional.

The problem for people considering buying any service is that you can't see the product before you buy it. Services are 'invisible' – whether they are plumbers, lawyers or business consultants.

That means that you have to trust that you will get a good service.

To reassure you that my service is good, I provide five Guarantees:

1. Professional Guarantee

I am independent and impartial, discreet and confidential.

2. Unique-to-You Guarantee

Your plan will be tailor-made for you because it is built on your priorities.

3. Direct Debit Guarantee

Protects you against payments made in error or fraudulently.

4. Easy Stop Guarantee

You can stop anytime and pay no more.

5. Money-Back Guarantee

I am determined to get the best results for you:

So if you truly get nothing out of this service I will give your money back.

(This has never been claimed!)

**Also, there are lots of testimonials on my website,
and many clients who are willing to answer your questions about me over the phone.**

Please do get in touch and try me out whenever you're ready.
