# EXPERIENCE A STORY OF SELF-DISCOVERY, EMPOWERMENT AND LEADERSHIP TRANSFORMATION

Building on the success of her TEDx Talk, Dima creates an engaging and interactive experience that allows her audience to relate their own life experiences and internal limitations to her personal story of transformation. The audience leaves empowered to **shatter their own limitations** and rise in leadership.

## DIMA'S STORY

Raised in the Middle East and taught to be subservient, Dima was fiercely constrained by her culture, community, and family expectations. Dima dared to shatter these limitations with a perilous escape that led to finding her true self and discovering her leadership potential. Today, Dima draws from two decades of corporate experience leading global teams, managing strategic client relationships, and developing leaders worldwide for Fortune 100 companies including IBM, Merrill Lynch, and Intuit. Dima is now dedicated to sharing her life lessons and bringing out the leadership potential in women globally.

## HOW IS DIMA DIFFERENT?

**Dima's keynote experience equips the audience with the tools they need to advance as leaders within their career, community, and personal lives.**

### 1. Personal Narratives

From crossing continents to conquering fears, Dima uses her story of positive transformation as a powerful teaching tool – a mirror that dares the audience to look deeper into their own identity and potential.

### 2. Engaging Delivery

From smashing vases on stage to burning magical flash paper or tossing jewelry into the crowd, Dima's multi-sensory approach to an interactive experience fully engages her audience. She inspires transformation and creates a change in them that lasts a lifetime.

### 3. New Perspectives

Dima's inspiring personal transformation journey, coupled with her global leadership experience, gives her unique insights into the keys to success. She uses that knowledge to illuminate to her audience a new perspective that enables them to thrive in all aspects of their lives.
