Colville Tribes Special Hunt Tag Holders

Good harvest data helps wildlife managers provide the best hunting opportunity possible to the Tribal membership. If you were lucky enough to draw a 2017 special hunt tag, please help the Tribes' wildlife program by returning the bottom half of your tag with all of your harvest information filled out.

Per Tribal Resolution 2016-259 in support of the 2016-2019 Tribal Hunting, Trapping, and Snaring Regulations and the special species hunting tag reporting requirements: Special species hunters, whether successful, unsuccessful, or did not hunt, must complete and return harvest/hunting reports (the bottom portion of the permit tag) to the CCT Fish and Wildlife Department **within 15 days after the season closure.**

The following list shows the expected tag return date for each specific special hunt:

- Hellsgate Game Reserve Archery Elk tags are due by October 22nd
- Hellsgate Game Reserve Rifle and Elder Elk tags are due by November 15th
