An incredible value
compared to building new with window coverings included
and the magazine-like landscaping design already taken care of.

The designer touches throughout.
stylish paint colors and finishes make this home
way above builder-grade.

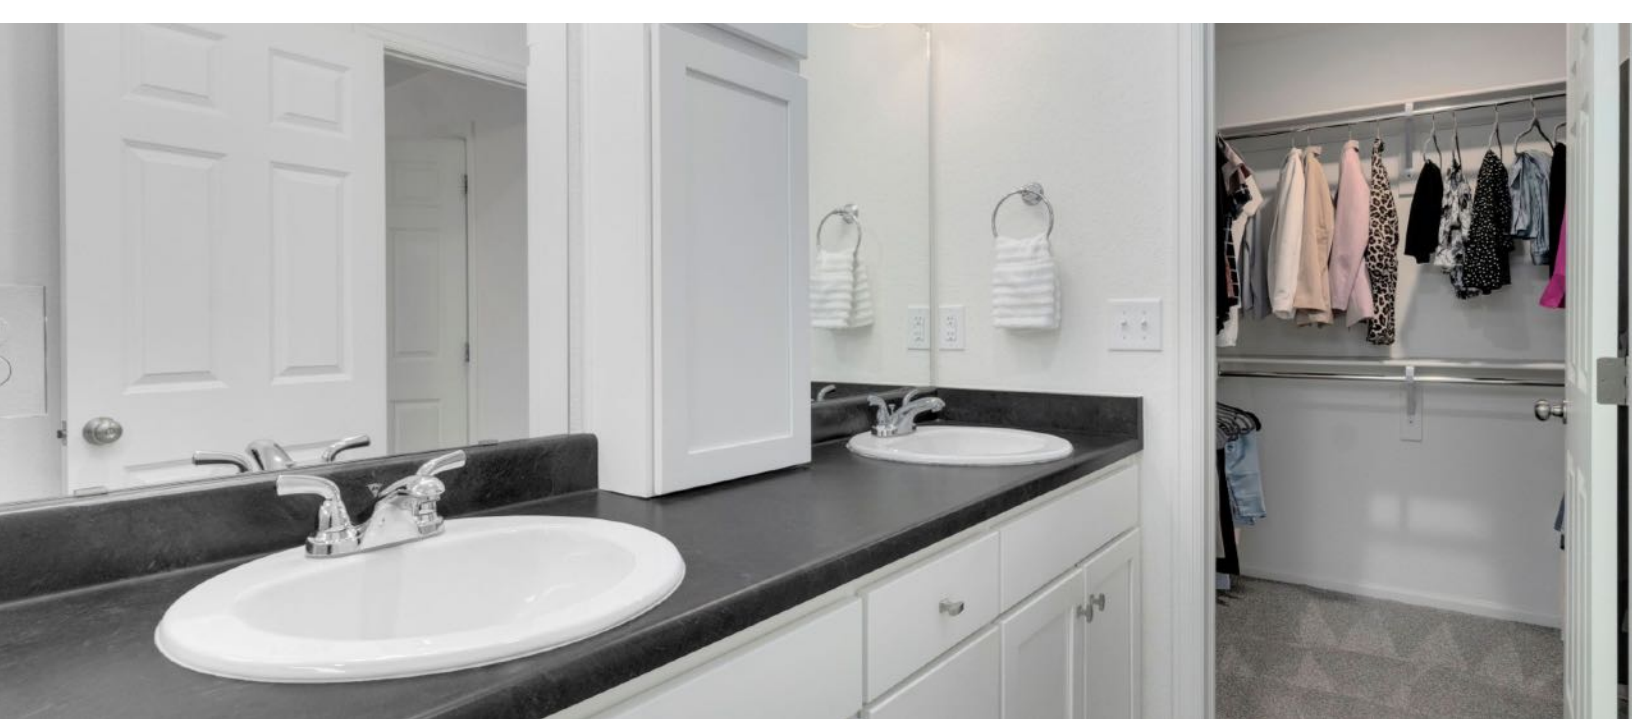

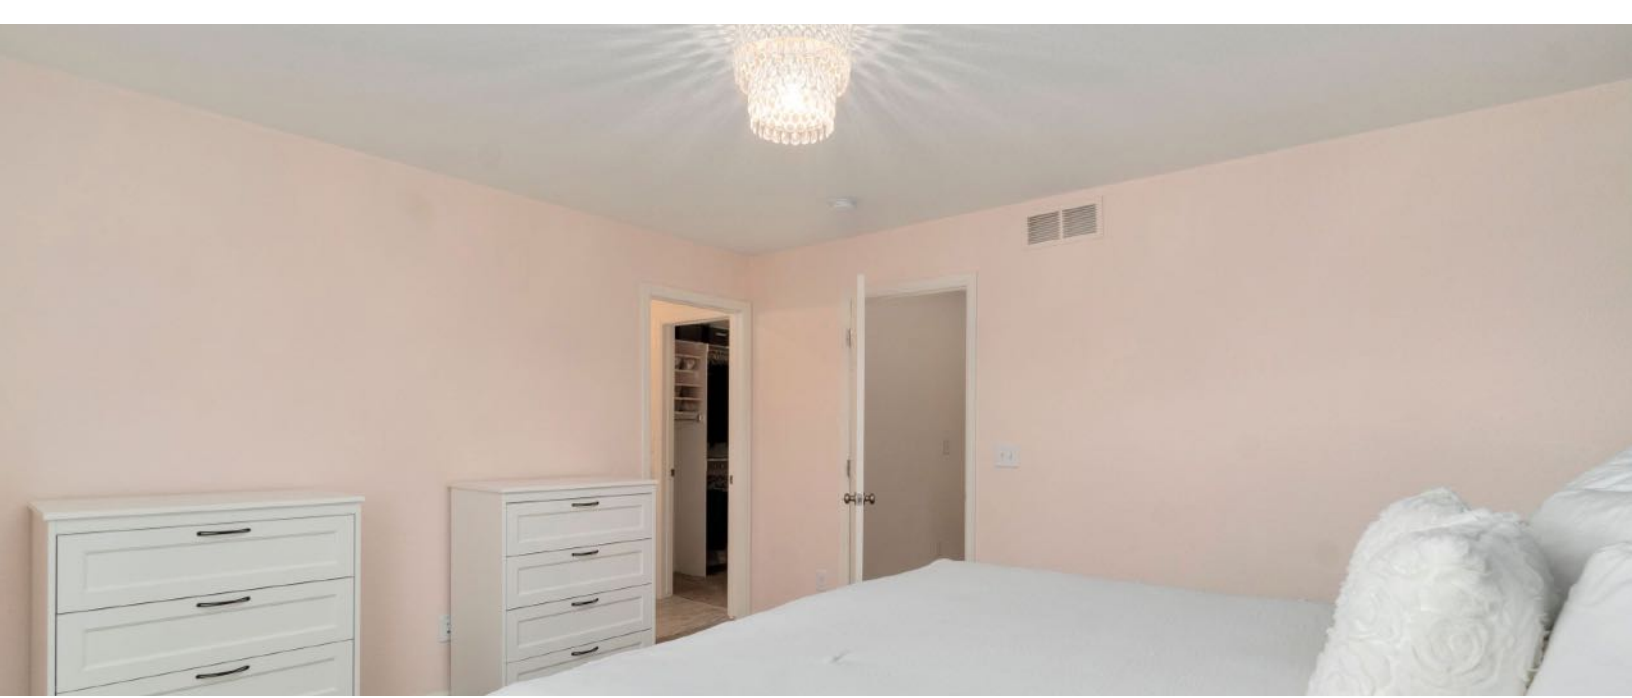

The open concept flows perfectly into the living room with floor-to-ceiling windows and a custom built-in focal point, adding even more charm to the home + the main level comes wired for surround sound!

The spacious loft

could be used for an office, family room, hobby space or add a wall to create a third bedroom.

Featuring an exceptionally large lot size

for a carriage-style home with room for the large shed, beautiful pergola, deck, and maintenance-free turf!

Take back your free time

as this carriage house is maintenance-free, with all of the front yard landscaping and snow removal taken care of for you!

The two-car garage is finished, painted, and ready for your electric vehicle with 220v installed and

ready to go!
