PGE-WT ROBUST ELECTRONIC SCALE FOR SUSPENDED LOADS

iWEIGH

The versatile WorldWEIGH PGE-WT crane scales offer fast and accurate overhead weighing wherever and whenever you need it. These robust scales are ideal for a wide range of industrial applications in factories, warehouses and storerooms. The bright 1.2" LED display is easy to read, even in difficult lighting conditions and the hand held wireless remote control provides fully remote weighing capabilities. The rechargeable battery gives an impressive 60 hours of continual use.

PGE-WT ROBUST ELECTRONIC SCALE FOR SUSPENDED LOADS

WorldWEIGH

MAIN FEATURES

- NTEP COC: NON-NTEP
- Capacities:
 - 4,000 lb
 - 10,000 lb
 - 20,000 lb
- Die cast aluminum housing
- 1.2" LED display
- Front panel keypad
- Built-in rechargeable battery with up to 60 hour battery life
- Clevis and hook included
- 360° hook rotation
- Wireless remote
- AC charging adapter
- Audible overload warning
- Hi/LO resolution division size

FUNCTIONS

- Weight readout
- Check weight
