| 9.15–10.30 | **Opening plenary**                      | Shulman Auditorium | MODERATOR: Michael Lazarus, Stockholm Environment Institute (SEI)  
PANEL:  
- Tzeporah Berman, Stand  
- Richard Denniss, The Australia Institute  
- Peter Erickson, SEI  
- Glada Lahn, Chatham House |
| 10.30–11.00 | **Coffee**                                 |              |                                                                        |
| 11.00–12.30 | **PARALLEL SESSIONS**                     | Shulman Auditorium | **SESSION 1:** Putting supply-side climate policy in practice: Opportunities and challenges  
MODERATOR: Cleo Verkuijl, SEI  
PANEL:  
- Guri Bang, CICERO  *Carbon risk as an institutional challenge: The case of Norway*  
- Chris Bataille, IDDRI/Simon Fraser University  *What does “keeping in the ground” mean for current fossil fuel producers, dependent on the jobs and tax revenue?*  
- Naomi Luhde-Thompson, Law College, University of Birmingham  *The implications of the Druridge Bay opencast coal-mine decision for UK policy on fossil-fuel extraction*  
- Ryan Rafaty, Oxford Martin School, University of Oxford/University of Cambridge  *Revoking coal extraction rights: An economic and legal analysis*  
- Cliona Sharkey, Trocaire  *The political dynamics of policies tackling fossil fuel supply in Ireland, from fracking to licensing* |
|         | **SESSION 2:** Exploring coal transitions around the world | Memorial Room | MODERATOR: Jesse Burton, Energy Research Centre, University of Cape Town  
PANEL:  
- Hanna Brauers, University of Technology Berlin  *The political economy of coal in Poland: Drivers and hurdles for a shift away from fossil fuels*  
- Tara Caetano, ICLEI – Local Governments for Sustainability – Africa  *South Africa’s coal transition: the socio-economic implications of a 2-degree consistent pathway*  
- Pao-Yu Oei, University of Technology Berlin  *A historical case study on coal transition in Germany*  
- Oliver Sartor, IDDRI  *Policy pathways for 2°C-compatible coal transitions in major coal-producing economies: insights from an international research project*  
- Jan Steckel, Mercator Research Institute on Global Commons and Climate Change  *The political economy of climate policy: A theoretical framework* |

**SESSION 6: Mobilization for and against fossil fuel development**

**MODERATOR:** Georgia Piggot, SEI

**PANEL:**
- Benjamin Franta, Stanford University *The American Petroleum Institute and global warming: Industry knowledge, denial, obstruction, and the potential of lawsuits for supply-side policy*
- Kathryn Harrison, University of British Columbia *Switching tracks: Opposition to coal exports in Canada and the United States*
- Noel Healy, Salem State University *Disrupting carbon lock-in: The catalytic impact of the fossil fuel divestment movement*
- Berit Kristoffersen, UiT the Arctic University of Norway; and Bård Lahn, CICERO *Challenging status quo through supply-side initiatives in Norway: Way out or far out?*

**16.30–16.45 Coffee**

**16.45–18.15 SESSION 7: Well below 2°C reporting by major fossil energy companies: The good, the bad, and the ugly**

**MODERATOR:** Peter Frumhoff, Union of Concerned Scientists

**PANEL:**
- Jo Alexander, ShareAction
- Myles Allen, University of Oxford
- Sophie Marjanac, ClientEarth
- Kathy Mulvey, Union of Concerned Scientists
- Geoffrey Supran, Harvard University

**18.15–19.15 Reception**

**19.15–21.00 Dinner**
### Tuesday 25 September 2018

#### 9.00–10.30

**SESSION 8:** Managing the economic implications of energy transitions: Carbon risks and policy options for fossil fuel producing countries  
**MODERATOR:** Glada Lahn, Chatham House  
**PANEL:**  
- Isabel Blanco, European Bank for Reconstruction and Development  
- Sian Bradley, Chatham House  
- Vibhuti Garg, International Institute for Sustainable Development  
- Baltazar Solano Rodriguez, UCL Energy Institute

#### 10.30–11.00

**Coffee**

#### 11.00–12.15

**PARALLEL SESSIONS**

#### Shulman Auditorium

**SESSION 9:** Moving beyond fossil fuels in Latin America  
**MODERATOR:** Roberto Schaeffer, Universidade Federal do Rio de Janeiro  
**PANEL:**  
- Andrea Carolina Cardoso Diaz, Universidad del Magdalena and Roman Mendelevitch, Humboldt-Universität Berlin *Unexpected effects of a diminishing carbon budget: The Colombian coal resource curse*  
- Daniele Codato, University of Padova *Defining unburnable carbon areas and economic transitions to fossil fuels development in the Amazon Region of Ecuador*  
- Claudia Strambo, SEI *Planning for after coal? Insights from Colombia and South Africa*  
- Fernando Tudela, Center of Global Change and Sustainability *Obstacles and opportunities for moratoria on oil/gas exploration or extraction in Latin America and the Caribbean*

#### Memorial Room

**SESSION 10:** The nature, scale, and politics of fossil fuel production subsidies  
**MODERATOR:** Jakob Skovgaard, Lund University  
**PANEL:**  
- Jesse Burton, Energy Research Centre, University of Cape Town  
- Anne Fougner Helseth, The Bellona Foundation  
- Ipek Gençsü, Overseas Development Institute (ODI)  
- Ronald Steenblik, Organisation for Economic Co-operation and Development (OECD)

#### 12.15–13.30

**Lunch**

#### 13.30–14.45

**PARALLEL SESSIONS**

#### Shulman Auditorium

**SESSION 11:** Do national oil companies have a comparative advantage?  
**MODERATOR:** Shelagh Whitley, ODI  
**PANEL:**  
- David Manley, Natural Resource Governance Institute  
- Valerie Marcel, Chatham House  
- Dominic Martin, Equinor UK  
- Paul Mollet, King Abdullah Petroleum Studies and Research Center (KAPSARC)
13.30–14.45 PARALLEL SESSIONS, CONTINUED

SESSION 12: A practical guide to an equitably managed decline in fossil fuel extraction
MODERATOR: Sivan Kartha, SEI

PANEL:
- Camila Bustos, Dejusticia/Yale Law School  Changing the narrative: Thinking about a just transition for coal-dependent communities in Colombia
- Alex Lenferna, University of Washington & University of New South Wales  Just compensation for stranded fossil fuels
- Jeremy Moss, University of New South Wales  Constraining supply: A just response to a climate transition?
- Steve Pye, University College London  Climate-constrained fossil fuel production under equity considerations

14.45–16.00 PARALLEL SESSIONS

SESSION 13: Implementing supply-side solutions: Theory and practice in the United States
MODERATOR: Chase Huntley, The Wilderness Society

PANEL:
- Florian Egli, ETH Zurich
- Jayni Hein, Institute for Policy Integrity, NYU School of Law
- Kassie Siegel, Climate Law Institute, Center for Biological Diversity
- Ali Zaidi, Stanford University

SESSION 14: Financial and fiscal support for fossil fuel supply
MODERATOR: Ronald Steenblik, Organisation for Economic Co-operation and Development (OECD)

PANEL:
- Aaron Atteridge, SEI  Who is financing coal mining?
- Ivetta Gerasimchuk, International Institute for Sustainable Development  Carbon entanglement in BRIICS: weaning government budgets off revenues from fossil fuel production
- Sonny Mumbunan, Research Center for Climate Change, University of Indonesia  Stranded assets, carbon risks, and coal mines in Indonesia
- Patricia Pedra, Coppe – Universidade Federal do Rio de Janeiro  Are fiscal incentives for the oil business in Brazil really necessary?

16.00–16.30 Coffee

16.30–17.30 Closing
MODERATOR: Harro van Asselt, SEI

PANEL:
- Joanna Depledge, Climate Policy Journal
- Assia Elgouacem, Organisation for Economic Co-operation and Development (OECD)
- Roberto Schaeffer, Universidade Federal do Rio de Janeiro
- Shelagh Whitley, Overseas Development Institute (ODI)
Conference organization

Conference Co-Chairs

Harro van Asselt, Stockholm Environment Institute, Oxford Centre, and University of Eastern Finland
Michael Lazarus, Stockholm Environment Institute (SEI), U.S. Center

Conference Steering Group

Guri Bang, Centre for International Climate and Environmental Research – Oslo (CICERO)
Tzeporah Berman, Stand
Andrzej Blachowicz, Climate Strategies
Jesse Burton, Energy Research Centre, University of Cape Town
Ben Caldecott, Smith School of Enterprise and the Environment, University of Oxford
Paul Ekins, University College London (UCL)
Ivetta Gerasimchuk, International Institute for Sustainable Development
Frank Jotzo, Australian National University (ANU)
Roberto Schaeffer, Federal University of Rio de Janeiro (UFRJ)
Shelagh Whitley, Overseas Development Institute (ODI)
Conference participants

Abbas Abdulrafiu, Postgraduate Researcher, University of Sussex
Jo Alexander, Research and Engagement Manager, ShareAction
Myles Allen, Professor, University of Oxford
Aisha Al-Sarihi, Visiting Scholar, Arab Gulf Institute in Washington
Harro van Asselt, Senior Research Fellow, Stockholm Environment Institute; Professor, University of Eastern Finland
Aaron Atteridge, Senior Research Fellow, Stockholm Environment Institute
Kaya Axelsson, MPhil Candidate, Department of Politics and International Relations, University of Oxford
Guri Bang, Research director, CICERO
John Barry, Professor of Green Political Economy, Queen’s University Belfast
Chris Bataille, Associate Researcher, IDDRI, and Adjunct Professor, Simon Fraser University
Nico Bauer, Research Group Leader, Potsdam Institute for Climate Impact Research (PIK)
Tzeporah Berman, Deputy Director, Stand
Isabel Blanco, Lead Economist, European Bank for Reconstruction and Development
Mathieu Blondeel, PhD Researcher, Ghent University
Sian Bradley, Research Associate, Chatham House (Royal Institute of International Affairs)
Hanna Brauers, Research Associate, TU Berlin
Jesse Burton, Researcher, Energy Research Centre, University of Cape Town
Camila Bustos, Researcher, Dejusticia; JD Student, Yale Law School
Tara Caetano, Senior Professional officer: Climate Change, Energy & Resilience, ICLEI – Local Governments for Sustainability – Africa
Mark Campanale, Founder & Executive Director, Carbon Tracker Initiative
Andrea Carolina Cardoso Diaz, Professor, Universidad del Magdalena
Angela Carter, Assistant Professor, University of Waterloo

Daniele Codato, Post-doc researcher, Department of Civil, Environmental and Architectural Engineering, University of Padova
Brendan Cummings, Conservation Director and Senior Counsel, Center for Biological Diversity
Clodagh Daly, Masters Student of Public Policy, specializing in Environmental Policy, University College Dublin
Megan Darby, Deputy Editor, Climate Home News
Richard Denniss, Chief Economist, The Australia institute
Joanna Depledge, Editor, Climate Policy Journal
Michael Dobson, PhD Student, Global Politics, The New School for Social Research
Alexander Ege, Program Manager – Sustainable Finance, KR Foundation
Florian Egli, PhD Candidate, ETH Zurich
Assia Elgouacem, Policy Analyst (Fossil-Fuel Subsidies), Organisation for Economic Co-operation and Development
Peter Erickson, Senior Scientist, Stockholm Environment Institute
Taran Fæhn, Head of Research, Statistics Norway
Pedro Faria, Strategic Advisor, CDP
Anne Fougner Helseth, Environmental Law Advisor, The Bellona Foundation
Benjamin Franta, JD-PhD Student, Stanford University
Peter Frumhoff, Director of Science and Policy and Chief Climate Scientist, Union of Concerned Scientists
Vibhuti Garg, Associate and Senior Energy Specialist, International Institute for Sustainable Development
Ipek Gençsü, Senior Research Officer, Overseas Development Institute
Ivetta Gerasimchuk, Lead, Sustainable Energy Supplies, International Institute for Sustainable Development
Andrew Grant, Senior Analyst, Carbon Tracker Initiative
Marco Grasso, Associate Professor of Political Geography, University of Milan-Bicocca
Timothy Gray, Executive Director, Environmental Defence
Paul Griffin, Senior Data Analyst, CDP
Bill Hare, CEO and Senior Scientist, Climate Analytics
Kathryn Harrison, Professor of Political Science, University of British Columbia
Noel Healy, Associate Professor, Salem State University
Richard Heede, Director and Co-Founder, Climate Accountability Institute
Jayni Hein, Policy Director, Institute for Policy Integrity, and Adjunct Professor of Law, NYU School of Law
Franziska Holz, Senior Researcher, DIW Berlin
Chase Huntley, Senior Director, Energy & Climate Program, The Wilderness Society
Natalie Jones, PhD Student and Research Affiliate, University of Cambridge and Centre for the Study of Existential Risk
Sangeeta Jordan, Researcher, JOGMEC (Japan Oil, Gas and Metals National Corporation)
Frank Jotzo, Director, Centre for Climate Economics and Policy, Crawford School of Public Policy, The Australian National University
Sivan Kartha, Senior Scientist, Stockholm Environment Institute
Jessica Koski, Climate Policy Associate, Stockholm Environment Institute, US Center
Stephen Kretzmann, Executive Director, Oil Change International
Berit Kristoffersen, Associate Professor, UiT the Arctic University of Norway
Lucas Kruitwagen, Data Lead, Sustainable Finance Programme, University of Oxford, Smith School of Enterprise and the Environment
Tom Kruse, Program Director, Rockefeller Brothers Fund
Kjell Kühne, Director, Leave it in the Ground Initiative (LINGO)
Glada Lahn, Senior Research Fellow, Chatham House (Royal Institute of International Affairs)
Michael Lazarus, Senior Scientist and US Center Director, Stockholm Environment Institute
Nathan Lemphers, PhD Candidate, Department of Political Science, University of Toronto
Alex Lenferna, Ph.C., University of Washington, Department of Philosophy
Santiago Lorenzo, Climate & Finance Global Expert, WWF
Naomi Luhde-Thompson, Researcher, Law College, Birmingham University
David Manley, Senior Economic Analyst, Natural Resource Governance Institute
Valerie Marcel, Associate Fellow, Chatham House (Royal Institute of International Affairs)
