FROM THE EXECUTIVE DIRECTOR

More than 100,000 people rely on The Food Bank for Central & Northeast Missouri for food every month. We are able to meet that need because of the philanthropy of so many. To the donors and volunteers who give so generously of their time, talent and treasure, thank you. You are the reason we are able to fulfill our mission of feeding people in need.

This report will show you a detailed breakdown of where we distributed more than 31 million pounds of food this past year. I am pleased to report that 24% of that was in the form of fresh fruits and vegetables, up from 19% last year.

We were able to accomplish that goal, in part, because of the businesses, organizations and individuals listed in this Honor Roll. These contributors gave at milestone levels in 2015. On behalf of so many, thank you for your support.

Lindsay Young Lopez
Executive Director
