Thank you for hosting a food drive benefitting The Food Bank for Central & Northeast Missouri!

Did you know that we can turn every $1 donated into $21 worth of groceries for neighbors in need?

Help us share food and bring hope by creating your own, customized fundraising page.

☐ [Click here](#) to visit our virtual food drive page.

☐ Once you are on our page, you can select “Create my own fundraising page!”

☐ **Enter your name and email** and ta-da! You have created your own fundraising page to help feed those facing food insecurity in your community.

☐ Next step – **Check your email**. You will receive two emails. One to personalize your fundraising page and one to share your fundraising page.

☐ You can **customize your fundraising page** by editing the goal, images and adding your own personal story.

☐ Once you have your fundraising page exactly how you would like it, it is **time to spread the word!**

☐ Share your fundraising page through email and on social media. **Rally your friends, family and co-workers** to meet your goal and #ShareFoodBringHope!
