We served more than 100,000 people monthly in 2018, sharing over 30 million pounds of food. Many people received assistance repeatedly because we are always here for our neighbors in need.

These are impressive numbers, and I am moved every time I think of the countless volunteers and donors who made this level of service possible. As a team of 64 employees, we could never accomplish our mission without the dedication of the more than 14,000 volunteers who gave 105,673 hours of service in 2018 — valued at over $2.6 million. It is the collective goodwill of the citizens of central and northeast Missouri that ensures our food assistance system thrives.

We also launched a strategic plan to guide our efforts, defining a new vision and core values to emphasize our commitment to leading and collaborating with others in a collective effort to end hunger. The vision and values are the touchstones that keep us looking toward a brighter future while executing our mission today and every day. The Food Bank supports more than 145 partner agencies in 32 counties in central and northeast Missouri. We focus on distributing healthier food options to not only feed our neighbors but also improve Missourians’ quality of life. As we give provisions to these agencies, we are mindful that we stand on the front lines of health for the people they serve.

The Food Bank can acquire food at deeply discounted prices, making it easier for us, as well as our partner nonprofits, to stretch donations and in-kind contributions further. With monetary gifts, we can obtain healthier, perishable items that traditional food drives cannot. Because of the charitable investments of people like you, members of our communities did not go hungry. Instead, they had access to good nutrition and will have hope moving forward.

This report speaks more to our accomplishments and our strategic plan. If you contributed in any way, you shared in our success. From everyone on The Food Bank team, thank you for making our service possible and our vision a reality.

Gratefully,

Lindsay Young Lopez

Page 5 | The Food Bank for Central & Northeast Missouri
Planning for the Future: A New Strategic Plan

We refocused our work in 2018. The Food Bank has abided by our mission for decades, but we enhanced our strategic plan through the thoughtful efforts of our leadership team and board of directors. First, we added a first-ever vision statement. While our mission defines the practical ways we pursue our work today, the vision is our dream, set down in writing — it is what our team believes to be the ideal future for our community and The Food Bank’s place in it. We know how to dream big, and for the first time, we captured our aspirations in words. Second, we crafted four core values, articulating the principles that guide our continuing service to central and northeast Missouri.

**MISSION**

Through empowerment, education and partnerships, The Food Bank for Central & Northeast Missouri brings together community resources to feed people in need.

**VISION**

To lead and collaborate to end hunger in the communities we serve.

**How We Work**

| **We acquire groceries in bulk using the donations from community neighbors like you. Then, we prepare smaller shipments for food pantries, soup kitchens, shelters and other partner agencies in the 32 counties we serve. Our foods include perishable items that cannot be donated through traditional food drives, which is why monetary gifts are so essential. Because of The Food Bank’s affiliation with Feeding America and our ability to buy in bulk at heavily reduced costs, every $10 donation secures $210 worth of healthier grocery options.** |
|**We are the only food bank in Missouri and one of only a few nationwide to provide food at no cost. Our partners share groceries and meals with families, children, seniors and others who are hungry, especially through our flagship programs:**|
|**Buddy Packs.** These packs feed 7,500 children each weekend and over holiday breaks. Students receive the packs at school in discreet bags that fit in a backpack. They can count on kid-friendly nutritious foods.**|
|**CSFP Senior Boxes.** Every month, 2,880 older, low-income adults are assured extra nutrition through the U.S. Department of Agriculture’s Commodity Supplemental Food Program. They receive low-sodium canned vegetables, pasta, beans and other healthy foods. Seniors are the fastest-growing population of need.**|
|**VIP Veteran Packs.** Veterans living at or below poverty receive ready-to-eat foods and other goods. In 2018, we gave 200 packs monthly to over 700 Veterans in six counties — Adair, Audrain, Benton, Boone, Callaway and Cole — and have plans to expand the program in the near future.**|

**CORE VALUES**

**RESPECT**

We hold our partners, team members and those we serve in the highest regard.

**INTEGRITY**

We promote honesty, ethical conduct and transparency in our actions and deeds.

**STEWARDSHIP**

We protect our philanthropic and financial resources to maximize our impact.

**COMPASSION**

We alleviate hunger and aim to help those we serve improve their quality of life.
Perennial Society

Growing the Fields of Hope

Year after year, members of the Perennial Society sustain the mission of The Food Bank. Individuals who have made cumulative gifts of $10,000 or more are recognized as members of this prestigious group.

The Foundation of Hope

Corporate partners, foundations and organizations provide the groundwork of hope with continued support year after year. We rely on these community leaders to ensure that we can operate efficiently. Groups that have given at least $10,000 in cumulative gifts, sponsorships or in-kind donations are part of this society.

Creating the Legacy of Hope

The Heirloom Society is comprised of visionary leaders who understand the importance of creating a lasting legacy. Established in 2016, this society honors supporters whose foresight led them to contribute through a planned gift.
