Section I

Philosophy

As a Lutheran elementary school, St. Paul strives to apply and teach Christian attitudes in all school activities, including sporting events. Paul writes in 1 Corinthians 10:31, “*So whether you eat or drink or whatever you do, do it all for the glory of God.*” Co-curricular sports give students athletes the opportunity to use their God-given physical ability to reflect the love of their Savior. Through athletics we strive to increase a student’s self-esteem, work ethic, competitive drive, leadership behaviors, and understanding of teamwork. In addition, we strive to provide an enjoyable, vigorous, and safe athletic experience in a Christian environment. We believe that this is a part of the total education process at St. Paul School.

Section II

Objectives

The Word of God is also the Word of Life, and a Christian philosophy of life should govern and encompass every aspect and dimension of our school programs. This certainly includes the athletic activities of our school. As such, the goals of our athletic program are:

- To help children recognize and appreciate in themselves and in others the physical gifts they have received from God.
- To develop character traits such as self discipline, self-esteem, responsibility, leadership, teamwork, and self-control under pressure, defeat, and failure, as well as a humble acceptance of success and victory.
- To develop a greater degree of the fundamental skills and knowledge about the rules appropriate to each team level.
- To help prepare our students for participation in advanced levels of athletics.
- To provide a Christian witness to our members, our community, and our competitors, and to demonstrate by example the fruits of Christian faith in athletic competition.

Section III

Student Athlete Guidelines

Children play sports to have fun, develop God-given abilities, and learn specific skills related to a sport. Players have a responsibility to their team, coach, and school. Listed below are the guidelines to which St. Paul expects its student athletes to fulfill there by upholding their responsibility.

1. All necessary forms need to be signed and returned to the athletic director before the first practice. An athlete may not participate in practice or games until this is accomplished.
2. An athletic fee of \$15 per season per family will be charged for the fall and winter seasons to help fund the program.
3. Athletes that have practice starting after 3:15 PM must leave school grounds after the school day and return no sooner than 15 minutes before practice or report to after school care and stay there until 15 minutes before practice. Players are to leave the school building within 10 minutes of the conclusion of practice. If parents are unable to pick up their child at that time, the parent or child should arrange a ride home with another student.
4. Transportation arrangements are the responsibility of parents/guardians and should be made prior to the event.
5. In the event that school is closed due to weather, all practices and/or games are canceled for that day.
6. There are no sports practices/games Wednesdays during Lent and Advent seasons. No mandatory practices are scheduled over school vacations. However, optional open gym times maybe scheduled.
7. To encourage responsibility, leadership and teamwork, members of St. Paul athletic teams must make it a priority to attend their school team athletic event, whether games or practices before any athletic activity outside of school. Any violation of this will be considered an unexcused absence.
8. Uniform care is the athlete's responsibility. Any uniform not returned, or returned in damaged condition will be replaced at the athlete's expense.
9. Any disrespect shown to coaches, officials, fans or players will result in a one game suspension. Repetitive or inappropriate behavior will result in expulsion from the team. Examples of such behavior include, but are not limited to, a poor, uncooperative attitude, lack of respect, receiving a technical foul for unchristian behavior, or inappropriate behaviors such as fighting, stealing, vandalism, use of alcohol, drugs, or tobacco.
10. Student athletes have the privilege to represent St. Paul in extracurricular activities. Their behavior reflects directly on St. Paul and their Savior Jesus Christ whom we serve. The student can be declared ineligible based on attitude or any incident that harms the mission of St. Paul Evangelical Lutheran School.
11. Student athletes are held to a high academic standard, please see details in section IV.

Section IV

Eligibility Guidelines

A student athlete's first responsibility is his/her academics. Therefore, the following guidelines will be used to determine a student's eligibility for sports:

1. Academic performance will determine all students' eligibility in extracurricular non-scholastic activities offered at St. Paul Lutheran School. This includes, but is not limited to: athletics, dance, forensics, and musical/drama productions.
2. Any student whose grade-point average for any academic quarter is below 2.0 will be ineligible for all extracurricular activities listed above from the time the report cards are distributed until a midterm progress report can be distributed. If the grade-point average is still below 2.0, the student will remain ineligible until the grade-point average exceeds 2.0 on a quarterly report card.
3. Any student who receives a grade of "F" at the end of the quarter in any subject will be ineligible for all extracurricular activities listed above from the time the report cards are distributed until a midterm progress report can be distributed.
4. Students may also be declared ineligible because of misconduct at school, on the bus, or any school-related activity. Persistent disrespect, lack of cooperation, habitual truancy or tardiness will lead to a student being declared ineligible.
5. Parents of children who have been declared ineligible will be notified prior to ineligibility being enforced.
6. Exceptions to these policies may be made on an individual basis for certain students. All exceptions should be brought to the principal and decided in consultation with the classroom teacher along with the Athletic Director.
7. Any student who has displayed the symptoms of a possible concussion will be ineligible to participate in any athletic activities until they have received written clearance from a healthcare provider.

Section V

Unexcused Absences

All student athletes are responsible to a team. A team cannot improve as a unit unless all athletes are present and on time for **every** practice and game. If an athlete is unable to attend practice or will be tardy, the athlete or parent must notify the coach at least one day before the absence (illness the exception). Excused absences would include dentist and doctor appointments, family vacations, etc. Please communicate with the coaches. If a student misses games or practices without an appropriate or pre-approved excuse, the following penalties will apply:

- First offense: The player will be unable to play in the following game.
- Multiple offenses: Player may be removed from the team.

Section VI

Coaching Guidelines

Coaches are representatives of St. Paul Lutheran school and Christ. They are approved by St. Paul School Board and the pastors. They are informed of the goals and expectations at a preseason coaches meeting held with the athletic director. There is a high expectation for modeling Christian living placed upon our coaches as evident in Romans 12: 5-7. St. Paul coaches will:

1. be members of St. Paul Evangelical Lutheran Church and School or a sister WELS Church.
2. have knowledge of the athletic handbook and the school handbook and be in agreement with them.
3. have a general knowledge of the sport they are coaching.
4. encourage all athletes at all levels.
5. demonstrate organization and responsibility for his/her team at all practices and games. (scheduling changes of any nature must be submitted to and approved by the Athletic Director and Facility Coordinator)
6. encourage prayer before all athletic events.
7. be regular in church attendance and at the Lord's Supper.
8. be informed about the handling of health and safety issues, including concussions. (Addendum.1)

Section VII

Parent Guidelines

Just as coaches and players strive to reflect the love of our Savior in their words and actions, parents are encouraged to do the same. Parents participate by watching, cheering, and supporting the efforts of all participants of the game. The following guidelines are expected to be followed by all St. Paul parents.

1. All parents are responsible to watch, care for, and discipline their children before and after all home and away games. If the child's own parents are not able to attend the athletic contest, the parents will be responsible for finding a "care-giver" when a child is not under the direct supervision of the coach.
2. Parents are also responsible for any additional child they bring to sporting events. Do not just drop off your children or allow them to play outside of your supervision.
3. Parents/guardians together with the athlete are responsible for transportation of the athlete to and from all games and practices.
4. It is the prayer that healthy relationships are maintained by all those involved in our sports programs. Communication is the key. Any problems which do arise should be worked out in a God-pleasing way. Parents are asked to resolve conflicts using the following protocol:
 - 4.1. Discuss the matter in private with the coach. (Matthew 18:15)
 - 4.2. Contact/meet with the athletic director along with the coach.
 - 4.3. If the problem continues, the athletic director along with the coach will involve the school administrator.
 - 4.4. If the problem cannot be resolved following the above steps the athletic director will confer with the School Board.
5. Volunteers are needed to truly make the athletic program work. This may require parents to help out in various ways such as scorekeeping, line judging, hallway supervision and working in the concession stand, among others. These ways will be made known throughout the school year. (Addendum.2)

Section VIII

Badgerland Lutheran Athletic Conference

The Badgerland Lutheran Athletic Conference (BLAC) consists of 20 schools. They are divided into two divisions structured for A-B team sports. The BLAC will set up a schedule for all schools with additional A-B teams as need arises. The purpose of the conference as defined in the league bylaws is centered on glorifying Jesus and developing Christian character through athletics. Further information can be found in the BLAC League Bylaws attached at the end of this document. (Addendum.3)

Section IX

Interscholastic Athletic Activities

The conference rules govern most of the participation requirements when it comes to what grade plays at what level. Special arrangements for teams may be made when there are unusual numbers at certain levels as determined by athletic director, administration, and School Board. At St. Paul, we do not, as a general rule, cut players from the team, although this maybe necessary in a given year with a large number of interested participants in a given class. Generally, anyone who is interested in the sport will be able to participate as long as they meet the handbook requirements. However, we want to keep our team sizes at a manageable level for both coaches to instruct and the athletes to participate. To that end we would first try to divide into two teams to avoid having to cut players. (Addendum.4) Traditionally, St. Paul divides teams in the following way:

General Levels of Teams at St. Paul

A team (Grades 7-8)	B team (Grades 6-5)	C team (Grades 4-3)
The intent of this level is to introduce the student athlete to more complex skills related to the sport in the attempt to be as competitive as possible.	The intent of this level is to increase the student athlete's basic skills and knowledge of the rules of the sport.	The intent of this level is to introduce the student athletes to the basic skills and rules of the sport.

A team (Grades 7-8)	B team (Grades 6-5)	C team (Grades 4-3)
<p>Players who faithfully attend practice, work hard, and listen will be, at the coaches' discretion, played in opportunities where he or she can be successful. In a closely contested game, that may not be possible. With that in mind, there is no guarantee every player will play in every game.</p>	<p>Players who faithfully attend practice, work hard, and listen will play in all games, but the playing time may not be equal.</p>	<p>Players, who faithfully attend practice, work hard, and listen, will play in all games with nearly equal playing time.</p>
