NEW THIS WEEK

Joint Reformation Service: Since October 31, 2017, is the 500th anniversary of the Lutheran Reformation, there will be a district-wide celebration of this anniversary with a worship service at **4:00 pm on Sunday, October 29, at the Alliant Energy Center Coliseum in Madison, Wisconsin.** There is also a hymn sing by Koiné at 6:00pm. Service planners have arranged for three choirs to help beautify the service: a Children's Choir (3rd-8th grade), High School Teen Choir, and an Adult Choir.

We would like to encourage our 3rd through 8th graders to consider being part of the Children's Choir. We will be teaching the music to all 3rd-8th grade students here at school and practicing together. We are planning to coordinate bus transportation to the service. There is a sign-up for the bus in the lobby.

Please consider encouraging your child to be part of this momentous sacred event. If your child is planning on participating, please email Mrs. McKenney at loismckenney@gmail.com so we can make sure your child has music to take to the service.

Science Fair is November 10. The students in grades 4-8 have been given the guidelines for the upcoming Science Fair on November 10th. Tri-fold boards are available in the office for \$3. They have a choice of red, black, blue, or white while supplies last.

St. Paul's Early Childhood will be hosting a **Science Sensations** for Grades 3K-2 on Tuesday, October 24 from 6:30-7:30 PM. Registration forms have been sent home. Please return them by Thursday, October 12.

You are invited to join us for Chapel every Friday at 8:00 AM and then stay for coffee fellowship. **Volunteers are needed** to brew some coffee, buy or bake breakfast goods, set up before Chapel, and clean up afterwards. Please sign up to help. It's a wonderful way to get involved in the fellowship of St. Paul School.
