## A Multi-Academy Trust

The governing bodies and Headteachers of Bulford St Leonard's CofE Primary School, Durrington All Saints CofE Infants School and St Michael's Primary School, together with Avon Valley College (11-18) have been working together since September 2014 to develop a partnership called a Multi-Academy Trust.

The primary objective of this partnership is to provide an outstanding learning environment for the children and young people of our communities. Our partnership allows the schools to work together to enhance learning, raise aspirations and provide many more opportunities for our pupils, but it also makes certain that teachers across our schools work collaboratively to develop and sustain the best practice, explore more and many resources and support each other to ensure excellence in our schools. Your child deserves the very best education; your family deserves to be part of the very best community and we aim, together, to provide exactly that.
