THE NOYES MUSEUM OF ART OF STOCKTON UNIVERSITY PRESENTS:

NOYES ARTIST MEMBERS EXHIBITION: 2020

About the Exhibition:

The *Noyes Artist Members Exhibition: 2020* showcases the work of eighteen artists creating outstanding artwork throughout New Jersey. Works in sculpture, photography, mixed media, wax, painting and drawing are throughout two galleries. This annual exhibition continues the tradition of celebrating recent work from New Jersey artists, all selected by jury to be a part of the prestigious Artist Member's group.

Bill Parker, a returning Artist Member, is presenting a trio of work showcasing his technical drawing skills as well as subject matter relevant to the COVID-19 pandemic. Sculptures intertwining abstraction, natural elements, and LED lights are presented another longtime Artist Member, t.a. hahn, who explores a multi-media approach. Andrea Sauchelli's "Visual Memo" is a raw expression of abstraction with representational elements. Christina Marie Walley's photographs are crisp, dramatic portraits filled with details that keep your eyes searching for the next beautiful hidden, expertly placed detail.

Each Artist Member is a practicing artist who continues to explore their discipline by continually expanding their repertoire with new bodies of work. Their work is unique to their own artistic point of view, yet the complete body of work from the Artist Member group compliments each other. The *Noyes Artist Members Exhibition: 2020* is a celebration of artistic voices within our state.
