# On the Track

***33 wins - 21 placings - \$3,478,894***  
**Dan Patch 2YO Colt or Gelding of the Year 2011**  
**Dan Patch Older Male Pacer of the Year 2014**  
**US Pacer of the Year 2014**

Sweet Lou blasted on to the scene in 2011 when he **won 10 of his 12** starts as a Two-Year Old.

Of those 10 wins, his win in the Breeders Crown final for 2-year-old Colt pacers at Woodbine by **7 1/2 lengths in 1:49**, was by far the most impressive. That day, he set a **World Record which still stands**.

Co-owner Phil Collura said of that win *“He just stamped himself, as to how good he really was, that night, There were good horses in there and he just drew away from them.”*

Only *Artsplace* and *Jenna’s Beach Boy* before him won the Breeders Crown at 2 and then went on to set another world record at age 4 or 5, which Sweet Lou accomplished in 2014 when he scorched Pocono’s five-eighths mile track in **1:47.0**

On that occasion Driver Ron Pierce was quoted as saying,

***“I could have gone 1.45.0  
if we’d be trying.”***

Sweet Lou paced 1.48 miles or faster - 13 or more times on all the great tracks including The Meadowlands.

During his 5 Year-Old Season he went on a **10-race win streak** which included victories in the \$500,000 Ben Franklin Pace, \$463,300 William R. Haughton Memorial, \$257,700 U.S. Pacing Championship, and \$258,000 Dan Patch Invitational.

As if that wasn't impressive enough, Sweet Lou did the unthinkable by winning **six consecutive times during the streak in sub-1:48 fashion.**

In the process of cementing his status as a champion racehorse he defeated all comers including *A RocknRoll Dance*, *Captaintreacherous*, *Foiled Again*, *Sunshine Beach*, *Heston Blue Chip* and *Warrawee Needy*.

When talking about Sweet Lou at the end of his career his trainer Ron Burke described him as “more thoroughbred than harness horse” due to his athleticism going on to say ***“With his exceptional good looks, speed, talent and pedigree, Lou has all the attributes of a top sire, and I look forward to racing his offspring for many years to come.”***

***“Every time you asked him to do something better or faster, it was no problem.***

***He just answered the call.”***

The demand for him in the Northern Hemisphere has simply been phenomenal, reflecting the high esteem with which his performance on the track is held. His book has been full and closed in the USA for both seasons.

During his first two seasons he has served no fewer than **10 millionairesses** in both hemisphere's and some of the world's best race mares.

These include the dam of **Rock N Roll Heaven Artistic Vision**, champion daughter of **Bettor's Delight See You at Peelers** who made \$1.5million, **She's Some Treasure** a full sister to **Captaintreacherous**, **Western Montana** dam of **Pure Country** as well as Australasia's fastest mare ' **Adore Me**' - 1.47.7.

Sweet Lou offers Breeders a complete **outcross of bloodlines** which makes him ideal to cross over the vast number of **Bettor's Delight**, **American Ideal**, **Dream Away** & **In The Pocket** broodmares around Australasia, amongst others.

He has a proven Maternal Line being a half-brother to World Champion and arguably the best ever son of Bettor's Delight - **Bettor Sweet**.

**Bettor Sweet** won \$2.7 million, took out two Breeders Crown Finals and recorded a lifetime mark of 1.47.2. Half sister **Sweet Paprika** recorded 1.51.1 and banked over \$200,000.

Sweet Lou's first foals in American have arrived to rave reviews. They have great looks, size, athleticism and have inherited his outstanding temperament, he has certainly stamped them.

Right from a young age Sweet Lou was a stand out for his Breeder Seth Rosenfeld, he was "*impressed with his demeanor*" and "he was a handsome little gentleman"

Reports from the Northern Hemisphere have breeders giving his offspring the same glowing recommendations.
