DYNAMIC-DUAL

STYLE-STORY | 11th Floor Finds at LAMDC

Produced by Lefty Tsironis
Photographed by Rob Henry
Styled By Brittany Stiles

Drawing upon the Yin-Yang principles of complementary opposites, black and white furnishings possess the ability to visually and aesthetically reveal a room designs' interdependent flow and form. Opposites attract when pairing this feminine, off-white boudoir sofa, topped by a Thayer Coggin pillow, with the tuxedoed *Nadine* chairside table, both by Hickory Chair. Shown in stone top with a dark/light mix of surfaces, Planum's *Savoy* nightstand anchors any space, creating a neutral tableau to showcase monochromatic art and accessories such as the *Lord Lytton* hand-drawn horseman from *Natural Curiosities*, the *Russian Museum* from *Wall Kandy* and the *Nina* tapered table lamp by *Visual Comfort*. Clad in black leather and chrome, the classic *Bruno*-style chair by *Patrick Associates* is balanced by the illumination of a chrome and black industrial stage floor lamp, also by *Visual Comfort*, and *Caldor's Projector* by *Interlude*. Softening these hard elements with shape and texture is *Eve Yun Designs'* black and white hide floor seat accented with bamboo. Contrasting hues further harmonize with additions of East/West and traditional/modern symbols, such as with this dark stone Buddha atop *Global Views'* *Yvette* vintage trunks, *Eve Yun Designs'* sculpted black leather and bamboo chair, *Silkies, Inc.* classic *Augustine* urn, and *Celebrities Gallery's* mod *Revolver* on canvas.

(From top left, clockwise) *Bamboo Chair* by *Eve Yun Designs*; *Revolver* from *Celebrities Gallery* at *HBT*; *Augustine Planter* by *Silkies, Inc.* at *Royal Furniture*; *Lord Lytton Horseman* from *Natural Curiosities* at *HBT*; *Russian Museum* from *Wall Kandy* at *HBT*; *Nina Tapered Table Lamp* and *Industrial Stage Floor Lamp* by *Visual Comfort* at *HBT*; *Savoy Stone Top Nightstand* by *Planum* at *HBM*; *Classic Bruno-Style Chair* by *Patrick Associates*; *Floor Seat* by *Eve Yun Designs*; *Nadine Chairside Table* and *Boudoir Sofa* by *Hickory Chair* at *HBT*; *Nelita Chair*; *Kidney Pillow* by *Thayer Coggin* at *HBM*; *Caldor's Projector* by *Interlude* at *HBT*; *Yvette Trunks* by *Global Views* at *HBT*; *HBM* (*Hagton/Barrett Modern*); *HBT* (*Hagton/Barrett Traditional*)
