

TMUG Meeting March 11, 2017

9:10 am - 12:00 pm

Lutheran Church of the Good Shepherd
22 Fisher Road
Brevard, NC 28712

Please join us for our monthly meeting lead by TMUG Steering Committee member Bart Evans.

Bart's presentation will continue the discussion about security in the computer world, with emphasis on MAC issues.

Various topics such as creating a strong password, how to recognize fake emails, and how to protect your sensitive personal information will be discussed.

The remainder of the meeting will be dedicated to answering any MAC/iOS questions.

Bring yourselves and your questions about MAC computer security and general issues to this month's meeting!

SEE YOU THERE!
