

frequently asked questions

What grade level is this for?

The tools are developmentally aligned to serve all grades - PreK to 12.

How much time does it take?

Only ten minutes each day!

Do I have to create lessons or do any work?

Absolutely not! Everything exists on the platform. There is no lesson preparation required. All you have to do is press play!

Is there a new video everyday?

Check out [this video](#) to learn more about the programs progression.

Do I need access to a projector?

The use of tools inside the classroom ideally needs to be done with a white board, smart board, or projector so that students have the ability to experience exercises together as a community.

Do the tools cost money?

Yes - there is a cost per teacher or leader license for the year.

How do teachers fund this?

Typically, the school or district funds this. We also have a partnership with Donor's Choose!

Can I buy online?

Yes! Visit our online store [here](#).

Can I use the same account for multiple teachers?

No, because the program is self-paced and supports the needs of individual classrooms, it is designed to follow and track each teacher's unique experience.
