

## IMPACT AWARD

At the annual Nashville Emerging Leader Awards celebration, the Nashville Area Chamber of Commerce and YP Nashville honor one of Nashville's top leaders who has made a significant impact on Nashville's YP demographic. Our city is enriched not only by our outstanding young professionals, but by the community leaders who have mentored and guided them.

In 2007, 2008 and 2009, the YP Nashville Sage Award was given to honor a community leader who, had shown a great deal of respect to YPs by working to positively impact the development of Nashville's young professionals and young professional organizations.

In 2010, this award was renamed the Impact Award. Impact Award candidates are no longer among the YP demographic (40 years of age or older), but are community leaders who show a great deal of respect to YPs and have had a significant impact on the professional development of Nashville's YPs and YP organizations.
