

INK TO END LYME

Join us in fighting to find a cure for Lyme Disease!

To join us, choose a day in February and let us know what you want to do to raise awareness. Some shops are:

- Having Lyme Disease Themed flash available
- Live Streaming Local stories of battling Lyme
- Giving away a tattoo to a Lyme Warrior
- Just donating a normal day of tattooing funds to the cause

If your information is submitted before January 15th 2018, we send your shop a promo kit to help you promote your awesome event with posters, awareness bands, stickers, and more. Please contact us at lauren@lymewarrior.us

You can find more info at <http://lymewarrior.us/ink-to-end-lyme>

Join us in helping fight this underfunded epidemic and bringing awareness to your community. We look forward to hearing from you!
