PHOTOGRAPHY AND VIDEO RELEASE

Throughout the club year, there may be occasions when events or your clubber will be photographed and/or videotaped on Grace Church property. These images and/or videos may be used in club publications, sent to the local media for media publishing, published on the Grace Church’s website, and/or Grace Church social media pages and groups. If you prefer that your child NOT be photographed and/or videotaped, please complete the first section below and return to the Awana Commander, Ashley Coward, within the first month of club meetings.

This form is not required if you are giving parental consent for the use of photography and videos captured during Awana club or Awana events.

I do **NOT** give permission for my child to be photographed or videotaped for the purpose of being sent to the media for publishing or used in any other Awana or Grace Church information including print material and/or Internet.
