

FREQUENTLY ASKED QUESTIONS

- **Who can submit?**

Applicants must be individuals over 18 who are currently resident in the UK (not on a short term Visa. Consult the guidelines and application form for more details.)

- **What's the deadline?**

Midday on **Monday 11th September 2017** by online application only at:

<http://www.b3media.net/talentlab>

- **Can I have a deadline extension as something happened that stopped me submitting in time?**

We're sorry, but we can't allow this under any circumstances out of fairness to the other applicants, and in order to make sure that all projects are evaluated by everyone in the evaluation team in time. We work to a very tight deadline.

- **How do I submit online?**

Complete the online application form, remember to read all of the notes on the form carefully, and upload supporting documents in permissible file types (for example: iWork, MS Word or PDF). When it comes to your video material, don't try to upload these files to the application form! Upload to a third party video or file hosting site (e.g. YouTube, Vimeo, Wetransfer), password protect your file if necessary, and put the video's URL (and password, if applicable) in the 'supporting links' boxes at the bottom of the application form. Hit the 'submit' button when you're done, and you should receive a confirmation email to the email address you entered.

Important: we will not accept hand-delivered submissions.

- **Will I retain the rights to my project after the Talentlab programme?**

Important: Yes. All participants to the B3 TalentLab will retain the rights to their projects both during and after the programme.

B3 TalentLab partners will evaluate and assess all the projects at the end of each stage.

If your project is not selected to progress to Stage 2 you will be free to take your project elsewhere - provided that you ensure that B3 Media's contributions through TalentLab are acknowledged as follows: "Project developed with the support of the B3 Media TalentLab".

Please read the Guidelines and the Application Form carefully and make sure that you're submitting your information to us correctly. If you think that there is something wrong with the online application form, please contact us either by:
