Name:	Position:	Email address:

4. **Members Competences:** The information given below will be summarised and placed in the public access area of the SHFCA website and will be linked direct to your organisation's website if visitors want to learn more about you. **If you don't want this information posted on the SHFCA website, tick this box.** []

COMMERCIAL ORGANISATIONS:

Type of company (eg. consultant, developer, manufacturer):	
Areas of expertise:	
Number employees:	
Status of company:	
Do you carry out in-house research?	
Please give a description of the company's business (max. 300 words):	

--

RESEARCHERS:

Type of research organisation:	
Areas of expertise / interest:	
Please give a brief description of your research activities:	
Have you worked on commercial collaborations before?	Yes / No *
If Yes, please give examples:	

5. In which of these categories do you see your organisation's main work? Please tick one or more boxes. These four areas, where work is needed to overcome the barriers to a widespread take up of fuel cells and hydrogen, were identified in a Fuel Cells Forum on-line meeting. This information will help SHFCA identify strengths and weaknesses.

A. Policy & Regulation		B. Communication	
C. Demonstration		D. Infrastructure	

6. What do you want from SHFCA? What kind of events and programmes do you want to see developed? How can SHFCA best deliver services to the membership? What do you hope to gain from SHFCA's activities? This is your trade body, help make it work. Continue on an extra sheet if necessary.
