## Dawn Capital

Dawn is an early stage venture capital firm with a team made of founders, experienced VCs and business builders who have invested in over 30 companies in 8 countries. Their previous investments include Bit Yoga, 90 Min and First Care. Their particular interest is in technology, specialising in Fintech and B2B Software, recognising that it has the ability to make yesterdays impossible possible. Dawn Capital partners these start ups with an exceptional team to compose a robust company that is timeless. Their entrepreneurs have a variety of backgrounds but share the common traits of perseverance and passion to allow their company to succeed.
