## Mosaic Ventures

Mosaic Ventures is a venture capital firm based in London focused on Series A investments with a \$140 million fund in founding teams. This pans across 10 countries in over 70 companies resulting in the generation of value of around \$200billion. In finding whom they will invest in, they look for a series of traits entailing a prospective founder, courage of conviction, commitment, teamwork, openness and execution. They are interested in areas such as next generation finance and payments, Bitcoin and the Block Chain, SaaS for SMEs, analytics, education and health but are not limited to this. Technology is key to investment for Mosaic as they believe it is driving the structural transformation of society. Mosaic invests in fewer than 10 companies a year making their selection precise. Their portfolio composition includes Blockchain, Blockstream, Clue and Habito.
