## Nauta Capital

Nautical Capital is a venture capital firm investing in technology targeting capital-efficient B2B Software propositions and selected lean consumer plays. They invest across Europe and the East Coast of the US. Nauta looks for entrepreneurs aspiring to create worldwide disruptors where technology has had little effect thus far but there is substantial likelihood for rapid and material progress. Its portfolio includes Be My Eye, Connected 2 Fiber and GCM Communications Technology. Nauta focuses on Series A and B investments and prefers seed opportunities with tickets as high as 7million euros.
