WELCOME!
We are so glad you are here.

WHERE AM I?
We are a non-profit social enterprise that empowers refugees and survivors of human trafficking to build new lives through culinary education. Your chefs today are our students.

We provide each student with three months of paid culinary training, English and career readiness classes and job placement services. Our restaurant is their classroom; each dish on our menu is tied to key skills that will help our students begin careers in the industry.

COOL! HOW CAN I HELP?
We hope you are hungry! Your meal today helps our students best their braise and become more confident as they begin their new careers. Each dollar spent supports our students and our efforts to change the world, one meal at a time.

IS THERE MORE I CAN DO?
Thank you, and yes! You can start by joining our mailing list; just fill out the card you receive at the end of the meal. Or, please consider making a donation via the QR code on the other side of the menu.

Ask your server about the spoons on our wall!

WHO IS EMMA?
We are named after Emma Lazarus, the poet who wrote the words on the Statue of Liberty. She urged us to “Give me your tired, your poor, your huddled masses yearning to breathe free.” We are proud to carry her torch & legacy!
