Great-tasting Hetch  
Hetchy tap **water**

Clean **power**

Award-winning  
**sewer** services

# SFPUC Power Enterprise

- Is the local, publicly-owned electric utility of the City and County of San Francisco
- Has been providing clean power to San Francisco for nearly 100 years
- Now operates **CleanPowerSF**, San Francisco's community choice aggregation program

**Serving 80% of the electricity consumed in San Francisco**

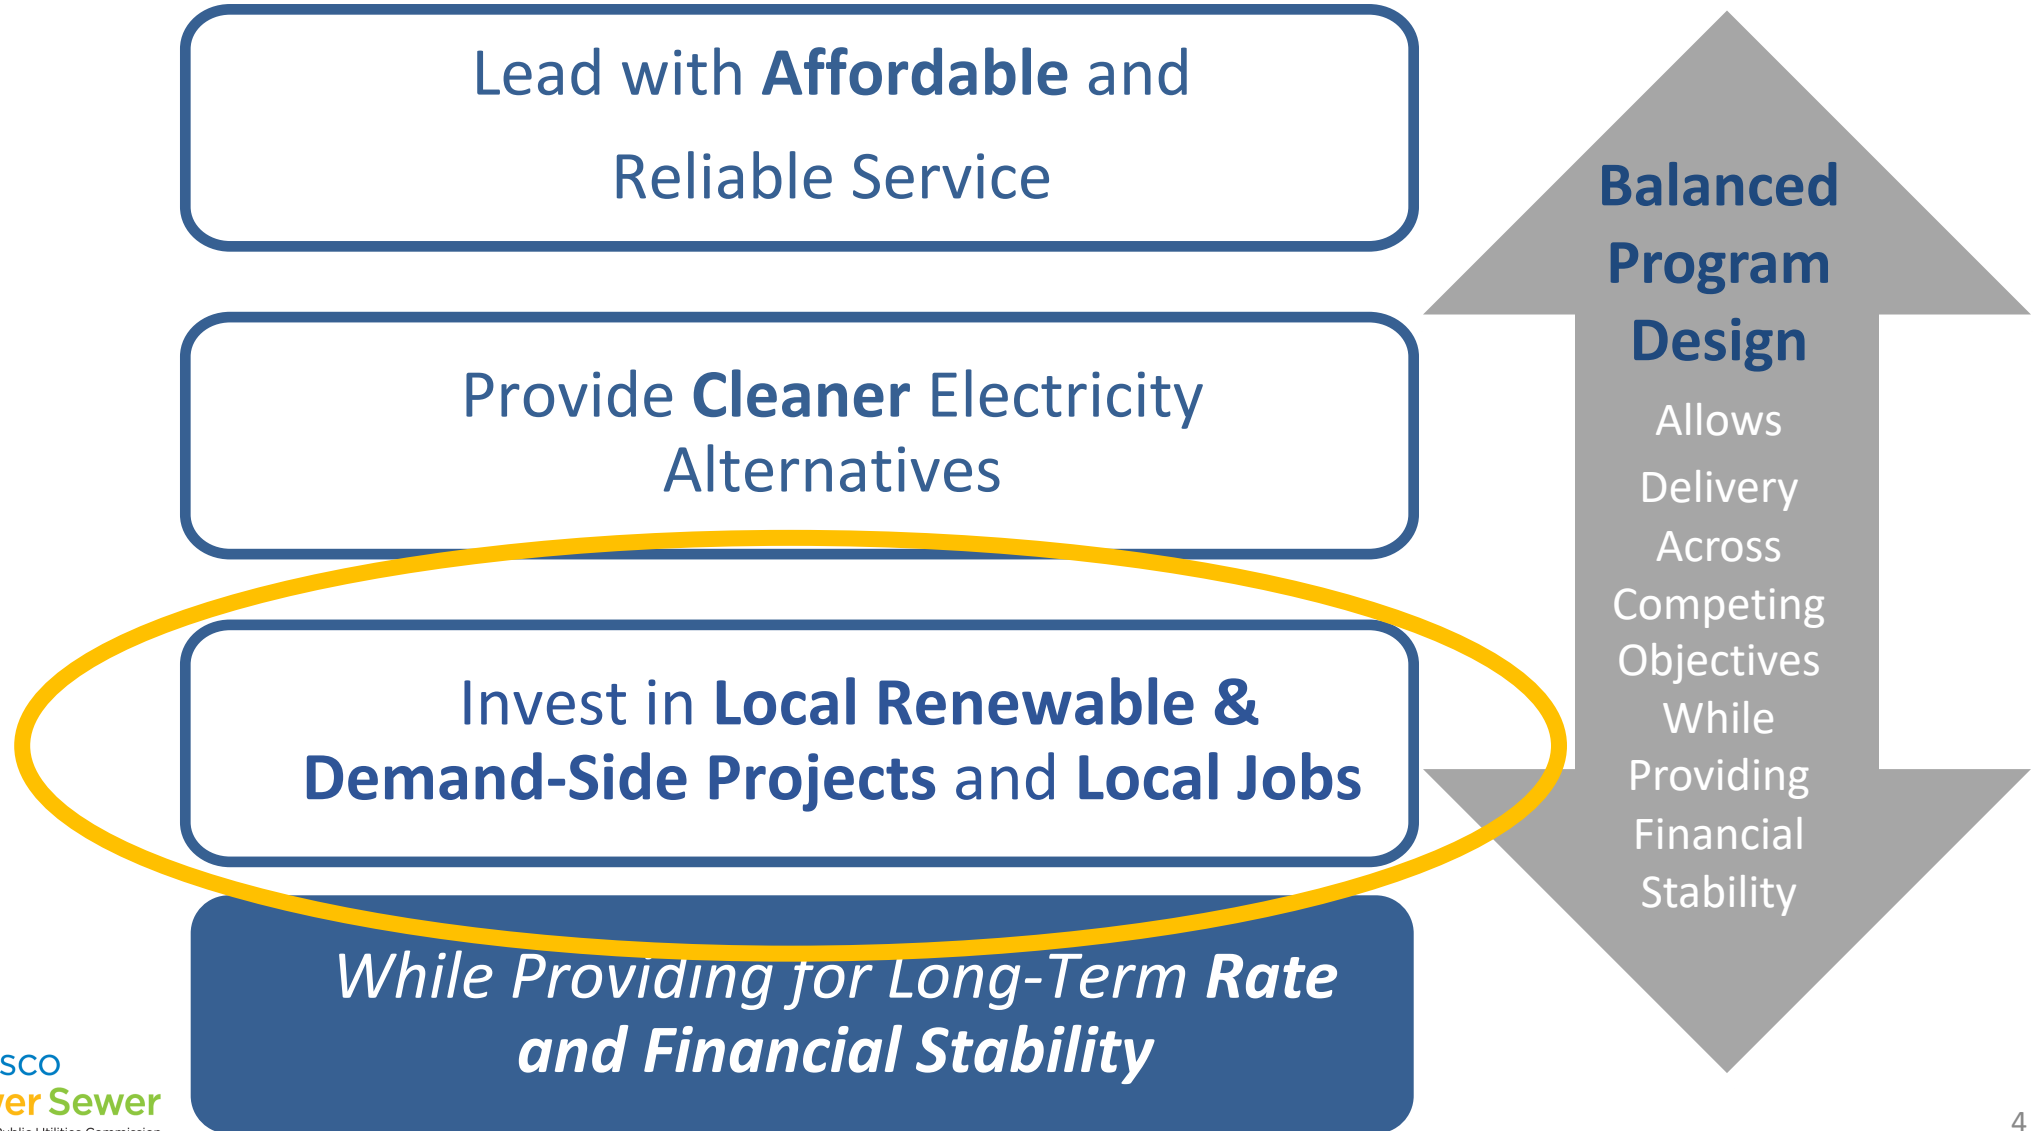

**We like your energy, SF. You'll love ours too!**

**Our City, Our Power.**

# The Value Proposition: Climate & Community

A critical problem related to Smart Buildings and Grid Modernization that needs a near-term, collaborative solution is...

*...that we can't share smart building innovations (like renewable electricity generation, EV charging, battery storage, peak-shaving technologies) across City and customer properties.*
