Culture reflects the way we see and do things as individuals and as a community. Culture can be found in the languages we speak, the stories we tell, the foods we eat, and the music we listen to. It reflects our histories, values, traditions and beliefs.

Use the template on the next page to create a flag that reflects your own culture.

Which experiences and interests will you choose to include?
Once your design is complete, cut out the flag and hang it in your window for the duration of the festival.

Explore your neighbourhood and look for flags to see what culture means to your friends and neighbours, or share your flag virtually using #KWMF2020 and @kwartgallery on social media.
