WASHTENAW COUNTY
2018 POINT-IN-TIME COUNT
COMMUNITY DEBRIEFING

Washtenaw Community College
February 28, 2018
WELCOME & INTRODUCTIONS

Mercedes Brown, Office of Community & Economic Development
PIT COUNT 101

Mercedes Brown, Office of Community & Economic Development
WHAT IS THE POINT-IN-TIME COUNT?

- A federally mandated count of all sheltered AND unsheltered persons experiencing homelessness on a single day in January
- Volunteers and staff canvass the streets and congregate settings, such as meal programs, to survey and count every person experiencing homelessness in Washtenaw County
- During the count, we collect demographic information from survey respondents, including, but not limited to:
  - Date of Birth
  - Gender
  - Race
  - Ethnicity
  - Housing Status
  - Disability Status
  - Veteran Status
  - Chronicity
We had over 45 volunteers and staff canvass between 4 a.m. & 8 a.m. for the unsheltered count.

The county was divided among 11 teams. Teams travelling along highways also canvassed communities they passed through.

We are very grateful to all of our volunteers! We could not do this without you!
WHO IS INCLUDED IN THE PIT COUNT?

SHELTERED

Persons who are living in a supervised, publicly- or privately-owned shelter designed to provide temporary living arrangements:

- Shelter
- Transitional Housing
- Hotel or Motel paid for by charitable organizations or by federal, state, or local government funders

UNSHelterED

Persons with a primary nighttime residence that is a place not designated for human habitation:

- Car
- Park
- Abandoned Building
- Bus or Train Station
- Airport
- Camp ground or site
WHO IS NOT INCLUDED IN THE PIT COUNT?

- Persons residing in a hotel or motel they paid for themselves
- Persons staying with friends or families
- Persons admitted to the hospital (staying in a hospital, not including the emergency room)
- Persons who did not explicitly meet the definitions on the previous slide
2018 DATA & STATISTICS

Crystal Balogh & Andrew Kraemer,
Office of Community & Economic Development
PIT COUNT DATA

• PIT Count data comes from two sources:
  1. Data for persons in shelter comes from HMIS, our local Homeless Management Information System
  2. Data for persons who are unsheltered comes from surveys conducted by volunteers
• In both cases, all data is self-reported
• The count is conducted once per year, so it is better understood as a snapshot then as a full census.
• Our data is still preliminary
TOTAL PERSONS

SHELTERED

256 People were in shelter or transitional housing

UNSHELTERED

28 People were on the streets or in places not meant for human habitation
HISTORICAL OVERVIEW: WASHTENAW COUNTY

Total Homelessness has declined by almost 25% since 2015

90% of people we counted are in shelter—an all time high!

63% of unsheltered persons were already working with our system

Temperature:
- 2015: 28°F
- 2016: 33°F
- 2017: 45°F
- 2018: 36°F
HISTORICAL OVERVIEW: STATE OF MICHIGAN

Michigan PIT Count Totals

10,516
9,316
9,051

Michigan saw a 24% decrease in sheltered homelessness since 2015

Total homelessness in Michigan has decreased 14% since 2015

Unsheltered homelessness is steady across the state
HISTORICAL OVERVIEW:
UNITED STATES

Total homelessness in the U.S. has decreased 2% since 2015.

Sheltered homelessness fell by 8% nationwide since 2015.

Unsheltered homelessness is much higher and rising elsewhere in the country.
3 out of 4 persons experiencing homelessness are individuals not in a family.

No unsheltered families or unaccompanied minors were found in 2018!
DEMOGRAPHICS: AGE

- Children under 18: 45
- Young Adults 18-24: 20
- Adults 25-54: 153
- Older Adults 55-64: 45
- Seniors 65+: 14
DEMOGRAPHICS: GENDER

ALL PERSONS EXPERIENCING HOMELESSNESS

- Male: 68%
- Female: 32%

FAMILY HEADS OF HOUSEHOLD

- Two Parent: 17%
- Single Father: 9%
- Single Mother: 74%
There is a lot of variation in the number of people self-reporting mental illness.

In 2018, 91% of those reporting mental illness were sheltered, up from 72% in 2015.

17% of those self-reporting mental illness also reported substance use disorders in 2018.
Self-reported substance use disorders have been rising.

Shelter access among people reporting a substance use disorder is increasing over time.

There is a steady decline in unsheltered people with a substance use disorder.

62% of those self-reporting substance use disorders also reported mental illness in 2018.
Chronic homelessness occurs when a person with a disability experiences homelessness for more than a year.

Total chronic homelessness has fallen by 50% since 2015.

Unsheltered chronic homelessness is at an all time low.
Veteran homelessness is falling faster than total homelessness.

Total Veteran homelessness has dropped by 40% since 2015.

Unsheltered Veteran homelessness continues to be very rare.
YOUTH HOMELESSNESS

Krista Girty, Ozone House
Ozone House helps youth lead safe, healthy, and productive lives through intensive prevention and intervention services.
Homelessness among youth is about a lack of safe, appropriate relationships.

Last year, Ozone House supported the following youth who are considered “homeless” by other federal agencies...

- 94 were housed or sheltered
- 1,931 called in crisis
- 1,154 identified in schools
- 427 accessed 1:1 services
- 186 dropped in

Almost none of these youth uses the term “homeless” to describe themselves.
LAST YEAR AT OZONE HOUSE

94% of youth ages 10-21 in all our programs exited services to SAFE HOUSING

87% of minor youth were REUNITED with their families

69% of formerly homeless youth in our WorkZone program are now working or are in school
To provide safety, support, advocacy and resources for survivors of sexual assault and domestic violence and their children, and...

To work relentlessly to change the systems and attitudes that allow this abuse to continue.
MORE THAN A SHELTER

• Throughout all programs, SafeHouse serves over 5000 survivors of sexual assault and domestic violence annually

• Programs include counseling, support groups, response teams, legal advocacy, children’s programming and community outreach

• For many of the survivors we interact with, shelter is a last resort which is intended to support survivor empowerment and assailant accountability
SHELTER SERVICES...

- Survivors of sexual assault and domestic violence become literally homeless because they are fleeing a situation where they are at risk of being hurt or killed.
- Local data gathered for Washtenaw County’s Blueprint to End Homelessness showed that 46% of women with children reported domestic violence as the primary reason for homelessness. This is in line with national estimates.

In 2017:
- 182 survivor heads of household were approved for shelter
- 135 adults and 192 children stayed for 8,500 nights
- All were homeless due to the risk of continued abuse and having nowhere else to go
- Households with children stay over 40% longer
There is overall community awareness that there is a significant lack of affordable housing.

Approximately 30% of survivors find housing after being in shelter a few months, of the other 70% most return to the assailant or turn to homelessness.

If a survivor is living/or could live with the assailant, they are considered to be “housed” by the HUD definition.

For those who find housing, there are a number of households that face the challenge of sustaining housing after six months.
BUILT FOR ZERO UPDATE

Amanda Carlisle, Washtenaw Housing Alliance
WHAT IS BUILT FOR ZERO?

• Rigorous **national change effort** designed to help a committed group of U.S. & International communities end veteran and chronic homelessness
  • Adopt proven best practices
  • Deploy existing resources more efficiently
  • Use real-time data to improve performance

• **Led by Community Solutions**, with assistance from federal partners:
  • U.S. Dept of Housing & Urban Development (HUD)
  • U.S. Dept of Veterans Affairs (VA)
  • U.S. Interagency Council on Homelessness (USICH)

• **Benefits to participating communities:**
  • Coaches and technical assistance resources
  • Direct access to HUD, VA, and other top national officials
KEY COMPONENTS OF BUILT FOR ZERO

- Single Point of Entry
- Common Assessment Tool
- One List of Homeless Households
- Housing Referral & Placement through Prioritization
WHAT WE HAVE LEARNED AND ACCOMPLISHED

- Focus on systems transformation
- Incorporation of a real-time data on who is experiencing homelessness in our community (by-name)
- Total Veterans & Chronically Homeless housed nationwide: 83,000+
  - Veterans & Chronically Homeless Individuals Housed in Washtenaw County since 2015: 719
- Systematic approach to prioritizing permanent housing resources
- Continuous process improvement → optimal system performance
  - Using data for systems improvement
- Breaking Down System siloes (increased collaboration with stakeholders & service providers)
UP NEXT IN BUILT FOR ZERO

- Continue the **sense of urgency to identify and house people** as quickly as possible
  - Streamline access and assistance
  - Continue to prioritize scarce permanent housing resources
  - Adapt to changing environment
- **Finalize and submit veterans homeless data** to U.S. Interagency Council on Homelessness (USICH)
- **Continue progress being made** on chronic homelessness and family homelessness
- **Leveraging the success of the initiative for youth** experiencing homelessness
- Focus on **Diversion**
PANEL DISCUSSION

FOUR WAYS YOU CAN MAKE A DIFFERENCE

1. **Donate** – time, money and goods/services
   - **Volunteer** at an agency that serves people who are homeless or at-risk
   - **Join a Board or Committee**

2. **Work with the Housing Coordinators Network** – if you are a landlord or property manager, or if you know one! Find out more: [http://www.housingaccess.net/landlords.html](http://www.housingaccess.net/landlords.html).
   Benefits include:
   - Assistance filling vacant units
   - Case management support for formerly homeless residents
   - Rapid response to landlord concerns or questions
FOUR WAYS YOU CAN MAKE A DIFFERENCE

3. **Advocate**
   - **Speak** to your elected officials – email and call
   - **WHA Speakers Workshop** – March 20th from 1-3pm (info: http://www.whalliance.org/news-events/)
   - **Attend** events
   - **Educate** your family, friends, and neighbors about homelessness and affordable housing issues

4. **Partner with us**
   - **Join** our email list serves, newsletters, and speak to us to find out more
RECOGNITION & THANKS

Mercedes Brown, Office of Community & Economic Development
THANK YOU

Thank you to the 2018 PIT Count Planning Committee.

Many thanks to the 45+ outreach staff, case managers, board members, citizens, advocates, and community partners for all their hard work!
