

Application fee per Production Site

A nonrefundable application fee of \$750 is required to process application. This is deducted from the total annual fee. This fee will be deducted from the annual fee upon acceptance of the application

Annual Fee Structure per Production Site

The Annual Certification Fee is billed once the application is accepted. Payment of the Annual Fee is required before certification can be granted. The application fee (\$750) is deducted from this fee.

Level of Certification	Base Annual Fee up to 5000 ft ² canopy
EnvirOganic	\$3,500 includes pesticide testing
Envirocann (site + crop)	\$3,000 includes pesticide testing
Envirocann (site only)	\$2,000

These prices reflect Envirocann and EnvirOGanic fees, up to a 5000 ft² canopy, and includes (where designated) testing for pesticide residues by a licensed laboratory. Additional tests can be added for a fee if desired.

Additional Certification Fees

For canopies that are larger than 5000 ft² an additional fee of \$0.40 / ft² above 5000 ft² is assessed.

For producers that have multiple harvests per annual cycle, there is a multiple crop certification fee of \$.040 / ft² of total canopy area for additional crops grown in the same year (includes pesticide testing fees).

Inspection Fees

Inspection fees are billed to the client post inspection at \$100 / hour, and include: inspection preparation, travel time, onsite time, and report writing time.

Additional Laboratory Testing

Cannabinoid Profiling (potency), Terpene Analysis, Microbiological, Pesticide, and Residual Solvent Testing can be added at an additional rate.
