Total		1946									
Average Fraternity Size		59									
Average IFC Size		60									

Notes:

Collective GPA will not be listed for categories with less than four individuals

*Grade classification averages are determined based on the number of credits attempted, and the number of grade points achieved. Classification is based on academic standing, not year in the chapter.

**Overall GPA Chapter Average is calculated by the overall chapter's number of credits attempted, and the number of grade points achieved. It is *not* a Mean Average of all GPAs.

All information contained within this academic report is generated from roster information provided by each individual chapter.
