Notes:

Collective GPA is not listed for categories with less than four individuals.

* Grade Classification averages are determined based on number of credits attempted, and the number of grade points achieved. Classification is based on academic standing, not year in the chapter.

** Overall GPA Chapter Average is calculated by the chapter's overall number of credits attempted, and the number of grade points achieved. It is not a Mean Average of all GPA's.

All information contained within this academic report is generated from roster information provided by each individual chapter.
