

BY CROSSCHX

Meet Olive, your 24/7 Virtual Care Assistant

NO INTEGRATIONS

Olive uses your existing applications and is EHR agnostic

FULL AUTOMATION

Eligibility, prior authorizations, appointment reminders, and more

AROUND THE CLOCK

Olive works 24/7 and never takes breaks, sick days or vacations

Olive becomes a valuable employee by automating repetitive, high volume tasks, allowing your staff to focus on the most important thing—your patients.

Using Artificial Intelligence, Olive will double your productivity at half the cost. She doesn't require additional workflows or staff training, and provides true interoperability by working with the systems and tools you already have in place.

What can Olive do for your organization?

Olive will...

- ▶ **Reduce Costs** by increasing accuracy, and eliminating clerical error which can lead to improper patient billing.
- ▶ **Boost Efficiency** by entering and transferring data in and between numerous systems with one simple command.
- ▶ **Improve Satisfaction** by working alongside you, and automating high-volume tasks so that you can focus on patient care.
- ▶ **Onboard Easily** because it's as simple as granting her the same user access as a remote employee.
- ▶ **Get Smarter Over Time** by offering recommendations and solutions to create more efficiencies for you and your staff.
