Safaris are not usually strenuous but do require some walking and carrying of luggage and camera gear. In Botswana we will be sleeping on cots in tents. Please check with your physician before the trip if you have health concerns.

There are no recommended shots or medications for Zambia travel but if you are traveling through other countries en route, we recommend you consult your MD or Public Health regarding requirements for those countries. We'll be happy to help put you in touch with appropriate offices if you need assistance.

ROOMING PREFERENCE

Pricing is based on two travelers per tent. If you are traveling alone, we will attempt to match you with another solitary traveler. If we are unsuccessful or if you prefer not to share, there will be a single supplement charge. We encourage you to recruit a friend for the trip.

Wild Images Photography Release and Personal Responsibility Agreement

It is important that all tour participants have the same understanding of the Coordinator role. Please read and sign.

Tom Isgar (the Coordinator) has agreed to coordinate certain arrangements for a Photo Safari for the mutual benefit of a group of friends and acquaintances, and to act as the escrow agent to collect, assemble, and disburse certain funds in connection with the group's trip.

I, the below signed, understand and agree that:

A. Coordinator is not acting as anything other than escrow agent to collect and disburse funds. He is not acting as travel agent, group travel adviser, travel escort, photo escort, or photography instructor.

B. Coordinator has no responsibility for determining my fitness to engage in physical activities in connection with the trip. It is my responsibility to do so. Physical activity includes walking to/from tents, carrying and loading personal gear (I may request assistance at my expense), walking around camping areas, getting in and out of vehicles, conducting my photography, and hiking in wilderness areas, including hills. The Coordinator has no responsibility for the welfare of those participating in other separately contracted activities.

C. Coordinator will do everything he can to insure a safe trip but it is my responsibility to learn about and understand the risks inherent in travel to and from this location and the risks inherent in a Tour. I assume all risks involved in such activities.

D. Coordinator reserves the right to modify and/or cancel arrangements if unfavorable conditions arise and to substitute comparable facilities and equipment where possible. The remoteness of some areas, local customs and prevailing weather conditions may cause inconveniences or modifications to the program itinerary.

E. Coordinator has made arrangements with local contractors, airlines, lodges, and drivers. Each of these entities is a private contractor, and the Coordinator is not liable for and does not have control over the timeliness, quality, attitudes or rules associated with the delivery of said services. Efforts have been made to retain the best providers.

F. Coordinator is not responsible for the behaviors, personalities or attitudes of other Tour Guests.

G. Coordinator may make additional reasonable terms and regulations during the course of the Tour to facilitate the trip with which I agree to comply.

H. Coordinator reserves the right to deny any application for any reason whatsoever.

I. Coordinator's only liability or legal responsibility in this endeavor is to faithfully transmit the moneys entrusted to him as escrow agent to the appropriate entities. In consideration of being allowed to participate in the trip and activities that may be available during the trip, I agree to release, and absolve The Coordinator from any and all liability and responsibility for personal injury, property loss, death and any and all other damages that I might sustain in connection with or arising out of my participation in the trip.

J. Arbitration: Any controversy or claim arising out of or relating to this Agreement or the performance hereunder, including without limitation any claim related to bodily injury, property damage or death, shall be settled by binding arbitration in Sarasota, Florida in accordance with the rules of the American Arbitration Association and the laws of the State of Florida.

The statements made by me on the application and release forms are correct and truthful in all respects.
