I understand that: 1) The information contained in the newsletter is for the general background and information of its readers. 2) That there is an inherent danger in the processing of pyrotechnic devices and should not be undertaken without adequate training or experience. 3) That the information is based on the experience of the author(s) using specific tools and ingredients under conditions not necessarily described in the article. 4) That no warranties are made or implied. 5) That the Western New York Pyrotechnic Association, it's officers, and the production staff of this newsletter, disclaim liability for any information contained in the newsletter, and are not responsible for persons attempting to duplicate devices or processes contained in it.

In consideration of the undersigned being permitted to be a participant in any of the direct or indirect activities or events associated with the Western New York Pyrotechnic Association (WNYPA), including, but not limited to, displays, lectures, demonstrations, sales/vending, and/or any other programs or association activities; the undersigned agrees to indemnify and hold harmless the Western New York Pyrotechnic Association, each of its officers, members, agents, employees, and/or successors from and against any or all claims, damages, or injury, direct or consequential, arising out of any such participation by the undersigned, or his/her spouse, or children if any. The undersigned is also aware that if accepted, his/her membership may be revoked as a result of behavior in the field of pyrotechnics that is not conducive to the standards of the Association. Applicant is subject to review before acceptance.
