

Leigh Stevenson Cobb, JD/MPH

During her tenure at Advocates for Children and Youth (ACY), Maryland's statewide child advocacy organization, Leigh has worked to reduce barriers and streamline enrollment processes for Medicaid and CHIP, increase access to dental services for low-income children and pregnant women, and improve access to prenatal, preconception and home-visiting services. She has been integrally involved in ACA implementation efforts, including the development of the State's Navigator/Connector Entity Program. Leigh has been an active member of the Maryland Women's Coalition for Health Care Reform since 2007. She also chairs the Maryland Dental Action Coalition and serves on the Board of Maryland's Health Care for All. She is the recipient of the 2013 Maryland Oral Health Hero "Legislative Hero Award".
