

BLOCK

The Encinitas Historical Society (EHS) is hosting an Open House, to celebrate the completion of their Heritage Garden.

This Open House is part of an open campus Block Party with Pacific View Arts, Culture and Ecology Alliance (EACEA) to honor the historic alumni of the students who attended school on this campus.

All past students, teachers and administrators of Pacific View Elementary School along with family and friends will be honored.

Those who share an interest in bringing life back to these classrooms are invited to learn how Pacific View Elementary will become Pacific View Academy of Arts, Culture & Ecology.

Come out and play and party with your neighbors, old classmates, volunteers, contributors and donors who helped save and are helping to create a new future!

Celebrate the historic renovation of this fabulous mid-century modern building.

PVAA will be the portal to the ARTS and the study and appreciation of the indigenous ECOLOGY of Encinitas, as an arts and eco-friendly city.

HISTORIC ENCINITAS

Back 2 SCHOOL

PACIFIC VIEW
ACADEMY OF ARTS, CULTURE & ECOLOGY
