SEXY HAIR TOOLS

SMOOTH LOCK PRO FLAT IRON

This digital read flat iron incorporates two silicone strips on the bottom plate and one strip on the top plate. It helps to smooth out the most unmanageable hair with ease. No tugging, no damage.

CURL LOCK PRO CURLING IRON

This digital read curling iron incorporates silicone strips on each side of its barrel to help create shiny, soft and smooth curls! No tugging, no damage.

STYLE LOCK PRO HAIR DRYER WITH A SENSOR

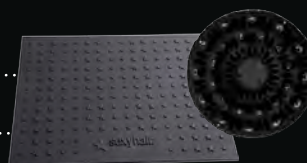

Lightweight design turns on with the touch and makes maneuvering easy. Helps dry hair quickly and efficiently for ultimate thermal protection. The on and off ion function allows to personalize each blow out for professional looking results. Get a volumized look by leaving the ion button off (positive ions) and a sleek and smooth blow out when pressing the button on (negative ions)!

TEXTURE LOCK PRO 1.25" CERAMIC CRIMPER

Ceramic wave plates help lock in texture, creating styles that keep up with marketplace trends while ceramic heaters create negative ions and provide even heat distribution. Digital read & 60 minute auto shut-off feature.
