Coolidge Elementary School
Lee Elementary School
Southern Hills Elementary School
Stanley Hupfeld Academy at Western Village

Pryor School District
Jefferson Elementary School
Roosevelt Elementary School

Union Public School District
Thomas Jefferson Elementary School

Yukon School District
Shedek Elementary School

The *Let's Move!* Active Schools National Award is the nation's top physical education and physical activity distinction for K-12 schools and celebrates a school's commitment to providing students with at least 60 minutes a day of before, during and after school physical activity. Only 544 schools across the country achieved this prestigious honor in 2016.

Powered by a national collaborative of leading health, education and private sector organizations, *Let's Move!* Active Schools equips schools with the resources, programs, professional development and grants to increase physical education and physical activity opportunities for students, and to cultivate an Active School environment.

Why are Active Schools so important? Because Active Kids Do Better. Regular physical activity not only helps kids stay healthy and strong, but it can also lead to: higher test scores; improved attendance; increased focus; better behavior in class; enhanced leadership skills; and a lifetime of healthy habits.

To earn a *Let's Move!* Active Schools National Award, a school must have met significant benchmarks in five areas: physical education; physical activity before and after school; physical activity during school; staff involvement; and family and community engagement.

This school year, in celebration of the 60th Anniversary of the President's Council on Fitness, Sports & Nutrition, *Let's Move!* Active Schools is excited to celebrate its National Award schools and to help more students accelerate their journey to leading a healthy, active lifestyle. In support the Council's [#0to60 campaign](#), *Let's Move!* Active Schools will provide school champions with continued information, resources, and inspiration needed to build healthier lives for future generations.

Let's Move! Active Schools

Be a Champion.
Lead a movement for 60 minutes of physical activity a day for your students.
